

Hello,

Agency Administrative Services (AAS) on behalf of Office of Human Resources Service Center (HRSC) invites interested suppliers to participate in an open forum discussion relative to Request for Information (RFI) # OA-RFQ001229 posted to eMarketplace on the DGS website at <http://www.emarketplace.state.pa.us/Home.aspx>.

The Commonwealth of PA (COPA) is seeking to develop a Human Resource Information Systems (HRIS) road map to transition from the current, on-premise SAP solution to a best-in-breed cloud solution. A primary focus of the project is to determine if the next generation of SAP Success Factors product offerings are a good fit for each in-scope Human Capital Management (HCM) module or if other options should be explored.

The scope of the assessment should include a review of all business processes, currently used functionality, related SAP customizations and legacy applications (SAP on-premise and non-SAP, vendor or custom).

The event will be held at the Keystone Building, 400 North Street, Forest Room Plaza Level, Harrisburg PA 17120 on Thursday, September 26, 2019 from 9:00AM – 12:00PM ET.

The open forum will address potential prime contractors for this RFQ and will be tailored for both potential prime and Small and Small Diverse Business subcontractors. This will include a presentation on the Commonwealth's Small and Small Diverse Business program, discussion relative to potential subcontracting opportunities for services and supplies and networking time for prospective prime and Small and Small Diverse Business subcontractors.

There will also be a Q&A period.

For further information or assistance with the Small and Small Diverse Business programs, please contact the Bureau of Diversity, Inclusion and Small Business Opportunities (BDISBO) at (717)783-3119.

Any questions you may have regarding the open forum may be directed to.
