To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals). |

The Issuing Office received the following questions regarding the above-referenced RFP and provides the following responses. |

Q.1. Why must the responding law firm have at least 15 years of civil litigation experience in the Delaware County Court of Common Pleas as a requirement of this RFP?

A.1. PDE is seeking local counsel to handle this matter because they require a seasoned litigator with expertise in the Delaware County Court of Common Pleas and with members of that bench and bar. Significant experience handling civil litigation in the Delaware County Court of Common Pleas, including a connection to the community, is imperative as they frequently deal with other local counsel and issues involving the community at large.

*** If you asked a question, and do not see your question listed, please let me know right away so we can get you a response as soon as possible.**

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully, |
