To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals). |

The Issuing Office received the following questions regarding the above-referenced RFP and provides the following responses. |

Q.1. Please advise how we should complete the dollar amount being shared with our Small Diverse Business firm in Appendix G – Small Diverse Business Small Business Participation, knowing that the work will be done on an as-needed/ad hoc basis.

A.1. Firms should submit a percentage commitment only, for the use of their SDB/SB partners. A revised Appendix G – Small Diverse Business Small Business Participation Submittal has been uploaded reflecting this change.

*** If you asked a question, and do not see your question listed, please let me know right away so we can get you a response as soon as possible.**

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully, |
