SUBRECIPIENT / CONTRACTOR AUDITS

AUDIT CLAUSE A – SUBRECIPIENT Local Governments and Nonprofit Organizations

The Commonwealth of Pennsylvania, Department of Human Services (DHS), distributes federal and state funds to local governments, non-profit, and for-profit organizations. Federal expenditures are subject to federal audit requirements, and federal and state funding passed through DHS are subject to DHS audit requirements. If any federal statute specifically prescribes policies or specific requirements that differ from the standards provided herein, the provisions of the subsequent statute shall govern. The DHS provides the following audit requirements in accordance with the Commonwealth of Pennsylvania, Governor's Office, Management Directive 325.9, as amended December 23, 2014.

Subrecipient means a non-federal entity that expends federal awards received from a pass-through entity to carry out a federal program, but does not include an individual that is a beneficiary of such a program. A subrecipient may also be a recipient of other federal awards received directly from a federal awarding agency. For purposes of this audit clause, a subrecipient **is not** a contractor that receives a procurement contract to provide goods or services that are required to provide the administrative support to carry out a federal program.

A. Federal Audit Requirements – Local Governments and Nonprofit Organizations

A local government and nonprofit organization must comply with all federal audit requirements, including: The Single Audit Act Amendments of 1996; 2 CFR Part 200 as amended; and any other applicable law or regulation, as well as any other applicable law or regulation that may be enacted or promulgated by the federal government.

For years beginning on or after December 26, 2014, a local government or nonprofit organization that expends federal awards of \$750,000 or more during its fiscal year, received either directly from the federal government, indirectly from a pass-through entity, or a combination of both, to carry out a federal program, **is required** to have an audit made in accordance with the provisions outlined in 2 CFR Part 200.501. Please note that for periods prior to this, the threshold is still \$500,000.

If a local government or nonprofit organization expends **total federal awards of less than \$750,000** during its fiscal year, it is exempt from these **federal** audit requirements, but is required to maintain auditable records of federal or state funds that supplement such awards. Records must be available for review by appropriate officials. **Although an audit may not be necessary under the federal requirements, DHS audit requirements may be applicable.**

B. Department of Human Services Audit Requirements

A local government or nonprofit provider must meet the DHS audit requirements.

Where a Single Audit or program-specific audit is conducted in accordance with the federal audit requirements detailed above, such an audit will be accepted by the DHS provided that:

1. A full copy of the audit report is submitted as detailed below; **and**
2. The subrecipient shall ensure that the audit requirements are met for the terms of this contract; i.e., the prescribed Agreed-Upon Procedures (AUP) Report(s) and applicable schedule requirement(s). The incremental cost for preparation of the AUP Report(s) and the schedule cannot be charged to the federal funding stream.

SUBRECIPIENT / CONTRACTOR AUDITS

AUDIT CLAUSE A – SUBRECIPIENT Local Governments and Nonprofit Organizations

The local government or nonprofit organization must comply with all federal and state audit requirements including: the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards contained at 2 CFR 200 and any other applicable law or regulation and any amendment to such other applicable law or regulation which may be enacted or promulgated by the federal government. **In the absence of a federally required audit**, the entity is responsible for the following annual audit requirements, which are based upon the program year specified in this agreement.

Organizations that **expend \$750,000 or more in combined state and federal funds, but less than \$750,000 in federal funds**, during the program year are required to have an audit of those funds made in accordance with generally accepted *Government Auditing Standards* (The Yellow Book), revised, as published by the Comptroller General of the United States. Where such an audit is not required to meet the federal requirements, the costs related to DHS audit requirements may not be charged to federal funding streams.

If in connection with the agreement, a local government or nonprofit organization **expends \$500,000 or more in combined state and federal funds, but less than \$750,000 in combined state and federal funds**, during the program year, the subrecipient shall ensure that, for the term of the contract, an independent auditor conducts annual examinations of its compliance with the terms and conditions of this contract. These examinations shall be conducted in accordance with the American Institute of Certified Public Accountants' Statements on Standards for Attestation Engagements, No. 10, Compliance Attestation (SSAE 10), and shall be of a scope acceptable to the DHS. The initial compliance attestation shall be completed for the program year specified in the contract and conducted annually thereafter. The incremental cost for preparation of the SSAE 10 report cannot be charged to federal funding streams.

The subrecipient shall submit the compliance attestation reports (if applicable) to the DHS within 90 days after the program year has been completed. When the compliance attestation reports are other than unqualified, the subrecipient shall submit to the DHS, in addition to the compliance attestation reports, a plan describing what actions the subrecipient will implement to correct the situation that caused the auditor to issue other than an unqualified report, a timetable for implementing the planned corrective actions, and a process for monitoring compliance with the timetable and a contact person who is responsible for the resolution of the situation

If the subrecipient enters into an agreement with a subcontractor(s) for the performance of any primary contractual duties, the audit requirements are applicable to the subcontractor(s) with whom the subrecipient has entered into an agreement. Consequently, the audit requirements should be incorporated into the sub-contractual document as entered by the subrecipient.

A local government or nonprofit entity that **expends less than \$500,000 combined state and federal funds** during the program year is exempt from DHS audit requirements, but is required to maintain auditable records for each contract year. Records must be available for review by appropriate officials of the DHS or a pass-through entity.

AUDIT CLAUSE A – SUBRECIPIENT

Local Governments and Nonprofit Organizations

GENERAL AUDIT PROVISIONS

A local government or nonprofit organization is responsible for obtaining the necessary audit and securing the services of an independent, licensed certified public accountant or other independent governmental auditor. Federal regulations preclude public accountants licensed in the Commonwealth of Pennsylvania from performing audits of federal awards.

The Commonwealth reserves the right for federal and state agencies, or their authorized representatives, to perform additional audits of a financial and/or performance nature, if deemed necessary by Commonwealth or federal agencies. Any such additional audit work may rely on the work already performed by the subrecipient's auditor, and the costs for any additional work performed by the federal or state agency will be borne by those agencies at no additional expense to the subrecipient.

If it is decided that an audit of this contract will be performed, the subrecipient will be given advance notice. The subrecipient shall maintain books, records, and documents that support the services provided, that the fees earned are in accordance with the contract, and that the subrecipient has complied with the contract terms and conditions. The subrecipient agrees to make available, upon reasonable notice, at the office of the subrecipient, during normal business hours, for the term of this contract and the retention period set forth in this Audit Clause, any of the books, records, and documents for inspection, audit, or reproduction by any state or federal agency or its authorized representative.

The subrecipient shall preserve all books, records, and documents related to this contract for a period of time that is the greater of five years from the contract expiration date, until all questioned costs or activities have been resolved to the satisfaction of the Commonwealth, or as required by applicable federal laws and regulations, whichever is longer. If this contract is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of five years from the date of any resulting final settlement.

Audit documentation and audit reports must be retained by the subrecipient's independent auditor for a minimum of five years from the date of issuance of the audit report, unless the subrecipient's auditor is notified in writing by the Commonwealth or the cognizant or oversight federal agency to extend the retention period. Audit documentation must be made available upon request to authorized representatives of the Commonwealth, the cognizant or oversight agency, the federal funding agency, or the Government Accountability Office.

Records that relate to litigation of the settlement of claims arising out of performance or expenditures under this contract to which exception has been taken by the auditors shall be retained by the subrecipient or provided to the Commonwealth at the DHS' option until such litigation, claim, or exceptions have reached final disposition.

Except for documentary evidence delivered pursuant to litigation or the settlement of claims arising out of the performance of the contract, the subrecipient may, in fulfillment of its obligation to retain records as required by this Audit Clause, substitute photographs, microphotographs, or other authentic reproductions of such records after the expiration of two years following the last day of the month of reimbursement to the contractor of the invoice or voucher to which such records relate, unless a shorter period is authorized by the Commonwealth.

AUDIT CLAUSE A – SUBRECIPIENT Local Governments and Nonprofit Organizations

PERIOD SUBJECT TO AUDIT

A federally required audit, conducted in accordance with Subpart F, encompasses the fiscal period of the provider. **Therefore, the period of the federally required audit may differ from the official reporting period as specified in this agreement.** Where these periods differ, the required supplemental schedule(s) of Revenues and Expenditures and the related Independent Accountant's Report on Applying Agreed-Upon Procedures must be completed for the official annual reporting period of this agreement that ended during the period under audit and shall accompany the federally required audit.

For each finding noted, the CAP should include: (1) a brief description identifying the findings; (2) whether the provider agrees with the finding; (3) the specific steps taken or to be taken to correct the deficiency or specific reasons why corrective action is not necessary; (4) a timetable for completion of the corrective action steps; (5) a description of monitoring to be performed to ensure that the steps are taken; and (6) the responsible party for the CAP.

REMEDIES FOR NONCOMPLIANCE

The provider's failure to provide an acceptable audit, in accordance with the requirements of the Audit Clause Requirements, may result in the DHS' not accepting the report and initiating sanctions against the provider that may include the following:

- Withholding a percentage of the contract funding pending compliance.
- Withholding or disallowing administrative costs.
- Suspending subsequent contract funding pending compliance.

AUDIT CLAUSE B – SUBRECIPIENT For-Profit Organizations

The Commonwealth of Pennsylvania, Department of Public Welfare (DPW), distributes federal and state funds to local governments, nonprofit, and for-profit organizations. Federal expenditures are subject to federal audit requirements, and federal and state funding passed through DPW are subject to DPW audit requirements. If any federal statute specifically prescribes policies or specific requirements that differ from the standards provided herein, the provisions of the subsequent statute shall govern. The DPW provides the following audit requirements in accordance with the Commonwealth of Pennsylvania, Governor's Office, Management Directive 325.9, as amended December 3, 2003.

Subrecipient means an entity that expends federal awards received from a pass-through entity to carry out a federal program, but does not include an individual that is a beneficiary of such a program. A subrecipient may also be a recipient of other federal awards directly from a federal awarding agency. For purposes of this audit clause, a subrecipient is not a vendor that receives a procurement contract to provide goods or services that are required to provide the administrative support to carry out a federal program.

A. Federal Audit Requirements – For-Profit Organizations

A for-profit organization **is required** to have an audit if it expends a total of \$500,000 or more in federal funds under one or more Department of Health and Human Services (DHHS) federal awards. Title 45, CFR 74.26, incorporates the thresholds and deadlines of the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Government, and Non-Profit Organizations*, but provides for-profit organizations with two options regarding the type of audit that will satisfy the audit requirements:

1. An audit made in accordance with generally accepted *Government Auditing Standards* (The Yellow Book), revised; or
2. An audit that meets the requirements contained in OMB Circular A-133.

A for-profit organization **is required** to have an audit, in accordance with the above audit requirements, if it expends a total of \$500,000 or more of federal awards directly or indirectly during its fiscal year.

If a for-profit organization expends **total federal awards of less than \$500,000** during its fiscal year, it is exempt from these **federal** audit requirements, but is required to maintain auditable records of federal or state funds that supplement such awards. Records must be available for review by appropriate officials. **Although an audit may not be necessary under the federal requirements, DPW audit requirements may be applicable.**

B. Department of Public Welfare Audit Requirements

A for-profit provider must meet the DPW audit requirements.

Where a Single Audit or program-specific audit is conducted in accordance with the federal audit requirements detailed above, such an audit will be accepted by the DPW provided that:

1. A full copy of the audit report is submitted as detailed below; **and**

SUBRECIPIENT / VENDOR AUDITS

AUDIT CLAUSE B – SUBRECIPIENT For-Profit Organizations

2. The subrecipient shall ensure that the audit requirements are met for the terms of this contract; i.e., the prescribed Attestation Report and applicable schedule requirement(s). The incremental cost for preparation of the Attestation Report and the schedule cannot be charged to the federal funding stream.

In the absence of a federally required audit, the entity is responsible for the following annual audit requirements, which are based upon the program year specified in this agreement.

If in connection with the agreement, a for-profit organization **expends \$300,000 or more in combined state and federal funds** during the program year, the subrecipient shall ensure that, for the term of the contract, an independent auditor conducts annual examinations of its compliance with the terms and conditions of this contract. These examinations shall be conducted in accordance with the American Institute of Certified Public Accountants' Statements on Standards for Attestation Engagements (SSAE), Section 601, *Compliance Attestation*, and shall be of a scope acceptable to the DPW. The initial Section 601 compliance examination shall be completed for the program year specified in the contract and conducted annually thereafter. The independent auditor shall issue a report on its compliance examination as defined in SSAE, Section 601. The incremental cost for preparation of the SSAE cannot be charged to federal funding streams.

The subrecipient shall submit the SSAE, Section 601, audit reports (if applicable) to the DPW within 90 days after the program year has been completed. When the SSAE, Section 601, audit reports are other than unqualified, the subrecipient shall submit to the DPW, in addition to the audit reports, a plan describing what actions the subrecipient will implement to correct the situation that caused the auditor to issue a qualified report, a timetable for implementing the planned corrective actions, and a process for monitoring compliance with the timetable and a contact person who is responsible for the resolution of the situation.

If the subrecipient enters into an agreement with a subcontractor(s) for performance of any primary contractual duties, the audit requirements are applicable to the subcontractor(s) with whom the subrecipient has entered into an agreement. Consequently, the audit requirements should be incorporated into the sub-contractual document as entered by the subrecipient.

A for-profit entity that **expends less than \$300,000 combined state and federal funds** during the program year is exempt from DPW audit requirements, but is required to maintain auditable records for each contract year. Records must be available for review by appropriate officials of the DPW or a pass-through entity.

GENERAL AUDIT PROVISIONS

A for-profit organization is responsible for obtaining the necessary audit and securing the services of a certified public accountant or other independent governmental auditor. Federal regulations preclude public accountants licensed in the Commonwealth of Pennsylvania from performing audits of federal awards.

The Commonwealth reserves the right for state and federal agencies, or their authorized representatives, to perform financial and/or performance audits if deemed necessary by the Commonwealth or federal agencies. Any such additional audit work will rely on the work already

The Commonwealth reserves the right for state and federal agencies, or their authorized representatives, to perform financial and/or performance audits if deemed necessary. If it is decided that an audit of this contract will be performed, the subrecipient will be given advance notice. The subrecipient shall maintain books, records, and documents that support the services provided, that the fees earned are in accordance with the contract, and that the subrecipient has complied with the contract terms and conditions. The subrecipient agrees to make available, upon reasonable notice, at the office of the subrecipient, during normal business hours, for the term of this contract and the retention period set forth in this Audit Clause, any of the books, records, and documents for inspection, audit, or reproduction by any state or federal agency or its authorized representative.

The subrecipient shall maintain books, records, and documents that support the services provided, that the fees earned are in accordance with the contract, and that the subrecipient has complied with contract terms and conditions. Audit working papers and audit reports must be retained by the subrecipient's auditor for a minimum of three years from the date of issuance of the audit report, unless the subrecipient's auditor is notified in writing by the Commonwealth, the contractor or oversight federal agency, to extend the retention period. Audit working papers will be made available, upon request, to authorized representatives of the Commonwealth, the contractor or oversight agency, the federal funding agency, or the General Accounting Office.

Records that relate to litigation or the settlement of claims arising out of performance or expenditures under this contract to which exception has been taken by the auditors shall be retained by the subrecipient or provided to the Commonwealth at the DPW's option until such litigation, claim, or exceptions have reached final disposition.

Except for documentary evidence delivered pursuant to litigation or the settlement of claims arising out of the performance of the contract, the subrecipient may, in fulfillment of his obligation to retain records as required by this Audit Clause, substitute photographs, microphotographs, or other authentic reproductions of such records after the expiration of two years following the last day of the month of reimbursement to the contractor of the invoice or voucher to which such records relate, unless a shorter period is authorized by the Commonwealth.
