T. AUDIT CLAUSE

(applicable to contracts \$100,000 or more)

This contract is subject to audit in accordance with the Audit Clause attached hereto and incorporated herein.

ATTACHMENT A

SUBRECIPIENT / CONTRACTOR AUDITS

AUDIT CLAUSE A/B – SUBRECIPIENT

The Commonwealth of Pennsylvania, Department of Human Services (DHS), distributes federal and state funds to local governments, non-profit, and for-profit organizations. Federal expenditures are subject to federal audit requirements, and federal and state funding passed through DHS are subject to DHS audit requirements. Any federal statute prescribing specific policies or specific requirements that differ from the standards provided herein shall govern. The DHS provides the following audit requirements in accordance with the Commonwealth of Pennsylvania, Governor’s Office, Management Directive 325.09, as amended January 10, 2022.

Subrecipient means a non-federal entity that expends federal awards received from a pass-through entity to carry out a federal program but does not include an individual that is a beneficiary of such a program. A subrecipient may also be a recipient of other federal awards received directly from a federal awarding agency (see 2 CFR Part 200 § 200.93). For purposes of this audit clause, a subrecipient **is not** a contractor as defined in 2 CFR Part 200 § 200.23.

Subrecipients must comply with all federal audit requirements and any other applicable law or regulation, as well as any other applicable law or regulation that may be enacted or promulgated by the federal government.

A. Federal Audit Requirements

Federal Audit Requirements Specific to Local Governments and Nonprofit Organizations

If a local government or nonprofit organization expends federal awards of \$750,000 or more during its fiscal year, received either directly from the federal government, indirectly from a pass-through entity, or a combination of both, to carry out a federal program, it **is required** to have an audit conducted in accordance with the provisions outlined in 2 CFR Part 200.501, *Audit Requirements*.

Federal Audit Requirements Specific to For-Profit Organizations

A for-profit organization **is required** to have an audit if it expends a total of \$750,000 or more in federal funds under one or more Department of Health and Human Services (DHHS) federal awards. Title 45, CFR 75.501(i) incorporates the thresholds and deadlines of 2 CFR Part 200 as amended, and provides for-profit organizations with two options regarding the type of audit that will satisfy the audit requirements:

1. A financial audit conducted in accordance with generally accepted *Government Auditing Standards* (The Yellow Book), revised; or
2. An audit that meets the requirements contained in 2 CFR Part 200.

Federal Audit Requirements Applicable to Local Governments and Nonprofit Organizations, and to For-Profit Organizations

If a subrecipient expends **total federal awards of less than \$750,000** during its fiscal year, it is exempt from these **federal** audit requirements, but is required to maintain auditable records of federal or state funds that supplement such awards. Records must be available for review by appropriate officials. **Although an audit may not be necessary under the federal requirements, DHS audit requirements may be applicable.**

SUBRECIPIENT / CONTRACTOR AUDITS

AUDIT CLAUSE A/B – SUBRECIPIENT

B. DHS Audit Requirements

Subrecipients must meet the following DHS audit requirements:

Where a Single Audit or program-specific audit is conducted in accordance with the federal audit requirements referenced above, DHS will accept such audit provided that:

1. A full copy of the audit report is submitted as detailed below; **and**
2. The subrecipient shall ensure that the audit requirements are met for the terms of this contract; i.e., the prescribed Agreed-Upon Procedures (AUP) Report(s) and applicable schedule requirement(s). The incremental cost for preparation of the AUP Report(s) and the schedule cannot be charged to federal funding streams.

In the absence of a federally required audit, the entity is responsible for following the annual audit requirements described below, which are based upon the program year specified in this agreement.

DHS Audit Requirements Specific to Subrecipients

Subrecipients that **expend \$750,000 or more in combined state and federal funds, but less than \$750,000 in federal funds**, during the program year are required to have an audit of those funds made in accordance with generally accepted *Government Auditing Standards* (The Yellow Book), revised, as published by the Comptroller General of the United States. Where such an audit is not required to meet the federal requirements, the costs related to DHS audit requirements may not be charged to federal funding streams.

If in connection with the agreement, a subrecipient **expends \$500,000 or more in combined state and federal funds, but less than \$750,000 in combined state and federal funds**, during the program year, the subrecipient shall ensure that, for the term of the contract, an independent auditor conducts annual examinations of its compliance with the terms and conditions of this contract (compliance attestations). These examinations shall be conducted in accordance with the American Institute of Certified Public Accountants' Statements on Standards for Attestation Engagements, No. 18, Attestation Standards: Clarification and Recodification (SSAE 18) and shall be of a scope acceptable to the DHS. The initial compliance attestation shall be completed for the program year specified in the contract and conducted annually thereafter. The incremental cost for preparation of the compliance attestation reports cannot be charged to federal funding streams.

The subrecipient shall submit the compliance attestation reports (if applicable) to the DHS within 90 days after the program year has been completed. When the compliance attestation reports are other than unmodified, the subrecipient shall submit to the DHS, in addition to the compliance attestation reports, a plan describing what actions the subrecipient will implement to correct the situation that caused the auditor to issue other than an unmodified report, a timetable for implementing the planned corrective actions, and a process for monitoring compliance with the timetable and a contact person who is responsible for the resolution of the situation.

If the subrecipient enters into an agreement with a subcontractor(s) for the performance of any primary contractual duties, the audit requirements are applicable to the subcontractor(s) with

SUBRECIPIENT / CONTRACTOR AUDITS

AUDIT CLAUSE A/B – SUBRECIPIENT

whom the subrecipient has entered into an agreement. Consequently, the audit requirements should be incorporated into the sub-contractual document as entered by the subrecipient.

A subrecipient that **expends less than \$500,000 combined state and federal funds** during the program year is exempt from DHS audit requirements but is required to maintain auditable records for each contract year. Records must be available for review by appropriate officials of the DHS or a pass-through entity.

GENERAL AUDIT PROVISIONS

A subrecipient is responsible for obtaining the necessary audit and securing the services of an independent, licensed certified public accountant, or other independent governmental auditor.

DHS, other state agencies, and federal agencies, or their authorized representatives, may perform additional financial and/or performance audits. If an audit of this contract is to be performed, the subrecipient will be given advance notice. The subrecipient shall maintain books, records, and documents that support the services provided, that the fees earned are in accordance with the contract, and that the subrecipient has complied with the contract terms and conditions. The subrecipient shall make available, upon reasonable notice, at the office of the subrecipient, during normal business hours, for the term of this contract and the retention period set forth in this Audit Clause, any of the books, records, and documents for inspection, audit, or reproduction by any state or federal agency or its authorized representative.

Except when a longer period is stated in the contract, the subrecipient shall preserve all books, records, and documents related to this contract for a period of time that is the greater of five years from the time when the contract expires and all questioned costs or activities have been resolved to the satisfaction of DHS, or as required by applicable federal laws and regulations. Any records that support the services provided, that the fees earned are in accordance with the contract, and that the subrecipient has complied with contract terms and conditions must be maintained. If this contract is completely or partially terminated, subrecipient shall preserve the records relating to and make available for a period of five years from the date of any resulting final settlement.

Audit documentation and audit reports must be retained by the subrecipient's independent auditor for a minimum of five years from the date of issuance of the audit report, unless the subrecipient's auditor is notified in writing by DHS, other state agencies, or federal agencies to extend the retention period. Audit documentation must be made available upon request to authorized representatives of DHS, other state agencies, or federal agencies.

The subrecipient shall retain and shall make available or provide to DHS at DHS's option those records that relate to litigation of the settlement of claims arising out of performance or expenditures under the contract until such litigation, claim, or exceptions have reached final disposition.

Except for documentary evidence delivered pursuant to litigation or the settlement of claims arising out of the performance of the contract, the subrecipient may retain records as required by this Audit Clause using photographs, microphotographs, or other authentic reproductions of such records after the expiration of two years following the last day of the month of reimbursement to the contractor of the invoice or voucher to which such records relate, unless a shorter period is authorized by DHS.
