Small Diverse Business Program (SDB)

Program designed to encourage participation of Small Diverse Businesses (SDB) in state contracting

- A Small Diverse Business is a DGS-verified minority-owned business, woman-owned business, veteran-owned business or service-disabled veteran-owned business.
- A small business is a business in the United States which is independently owned, not dominant in its field of operation, employs no more than 100 full-time or full-time equivalent employees, and earns less than 7\$ million in gross annual revenues for building design, \$20 million in gross annual revenues for sales and services and \$25 million in gross annual revenues for those businesses in the information technology sales or service business.

To receive credit for being a Small Diverse Business or for subcontracting with a Small Diverse Business (including purchasing supplies and/or services through a purchase agreement), a Offeror must include proof of Small Diverse Business qualification in the Small Diverse Business participation submittal of the proposal, as indicated in section II of the RFP.

- Photocopy of its DGS issued certificate entitled “Notice of Small Business Self-Certification and Small Diverse Business Verification” indicating its diverse status
- Small Diverse Business(es) must be named including address and phone
- Letter of intent that specifies the type of goods or services the small diverse business will provide along with dollar value of commitment
- Since this RFP does not require a cost submittal, Offerors will propose an Administrative Per-Member-Per-Month (PMPM) Small Diverse Business (SDB) commitment expressed as a dollar amount for each consumer enrolled in the Offeror’s program each month. For reference, the Department estimates an average Administrative PMPM amount of \$35.30
