Contractor Partnership Program

Bureau of Employment Programs
Hoa Pham, Bureau Director

8/31/2022

What is the Contractor Partnership Program (CPP)?

The CPP is a collaboration between DHS and its contractors to increase the employment rate of beneficiaries of Temporary Assistance to Needy Families (TANF) assistance.

Contractors who hold agreements meeting certain criteria with DHS are required to establish a TANF hiring goal and implementation plan that supports TANF beneficiaries in obtaining employment with the contractor, grantee, or their subcontractors.

What are the benefits for Contractors and Grantees?

- Fulfills workforce needs by connecting entities to a pool of job candidates.
- Connects entities to PA's Employment & Training network who can assist in developing workforce training, hiring and retention at no cost.
- Entities may be eligible for tax credits for hiring individuals receiving TANF such as the Work Opportunity Tax Credit

[WOTC](#)

- Establishes entities as part of a collective solution to lifting people out of poverty.

RFP Requirements

- The RFP contains an overview of CPP in Appendix G.
- Offerors should submit the information being requested in Section 3 of Appendix G as their CPP Submittal.
- This submittal will NOT be part of the scoring criteria, but it must be completed. After selection for negotiations, DHS will review the selected Offeror's CPP Submittal and may approve or request changes as part of negotiations.

Implementing a Hiring Plan

- As part of its CPP submittal, each Offeror should submit a hiring target.
- Offerors should review the positions the organization currently offers and anticipate their needs not only as a result of being awarded a contract but generally throughout the organization for:
 - Both degree and non-degree positions
 - Subcontractor positions
 - CPP hires are not specific to the work outlined in the contract

How is the hiring target determined?

As part of their CPP submittal, Offerors will report their number of Pennsylvania hires annually for the past three years and calculate their average number of hires per year; the target will be 10% of the average.

Total workforce hires in Pennsylvania

Contractor Partnership Program

Hiring Target Example:

*Company X hired **50** people in 2018, **47** in 2017 and **35** in 2016 in Pennsylvania.*

$$(50 + 47 + 35)/3 = 44 \text{ hires on average per year}$$

$$10\% \text{ of } 44 = 4.5$$

4-5 CPP hires is the target for each year of the agreement

Program Requirements

- Submit a hiring goal. The hiring goal should be 10% of the average of annual PA hires over the past 3 years. (Example)
- Establish a Business Folder in CWDS and ensure contact information is current.
- Implement the hiring plan (post jobs, connect with programs, interview, etc.)
- Complete quarterly employment forms via the Commonwealth Workforce Development System (even if no hires were made during that quarter).

Q1-October 15	Q3-April 15
Q2-January 15	Q4-July 15
- Maintain communication with program office contract monitors or CPP staff on progress and challenges.

CWDS Data Entry Instructions will be provided once the contract is awarded

Contractor Requirements-Additional Notes

- **Contract Specific:** The CPP requirement is contract specific, meaning each contract held with the Department may require a hiring goal. If a contractor has multiple contracts with DHS, they may have multiple goals.

- **Subcontractors:** Hires made by subcontractors can also count towards the CPP hiring goal. Subcontractors may also be designated to complete the quarterly reports in CWDS.

- **Eligible positions:** Hires can be for any position; the position does not have to be related to the specific contract project(s). TANF beneficiaries possess a wide range of skill sets and can fulfill a variety of positions, depending on the individual's background and experience. Common industry-specific certifications include areas such as:
 - Food Preparation and Safety
 - Hospitality
 - Health Care
 - Administrative Services

How can DHS connect selected Offerors with TANF beneficiaries?

- The selected Offeror can post available positions via PA CareerLink® online: pacareerlink.pa.gov
- DHS can connect entities with local employment and training programs including the Employment Advancement and Retention Network (EARN), Work Ready, and Keystone Education Yields Success (KEYS) providers who work directly with TANF beneficiaries.
