This Addendum is hereby made part of the Request for Proposal No. Rfp14-05 dated April 17, 2014. The provisions of this Addendum are intended to supplement the provisions and scope of work and/or supersede them where contradictory thereto.

Harrisburg Area Community College (HACC) is sending this addendum #1 to address any possible confusion on the duties, responsibilities of the contractor related to the materials, tools and labor.

On page 3, Section I, BACKGROUND portion of the RFP, the RFP reads, "HACC is looking to procure asphalt pavement sealing /rejuvenation using Paverx Asphalt Rejuvenator from a qualified vendor at HACC Harrisburg Campus and is issuing this Request for Proposal to obtain a proposal of delivered services and pricing from those suppliers capable of meeting HACC's requirements."

It should read: "HACC is looking to procure asphalt pavement sealing /rejuvenation using Paverx Asphalt Rejuvenator, **or equivalent product that has a 5 year warranty**, from a qualified vendor at HACC Harrisburg Campus and is issuing this Request for Proposal to obtain a proposal of delivered services and pricing from those suppliers capable of meeting HACC's requirements."

Additionally, on Page 5, EXHIBIT "A", STATEMENT OF WORK, the RFP reads: 3. Proposer will apply Paverx Asphalt Rejuvenator on 159,000 SY according to manufacturer specifications.

It should read: 3. Proposer will apply Paverx Asphalt Rejuvenator, **or equivalent product that has a 5 year warranty**, on 159,000 SY according to manufacturer specifications.
