Project: N/A

3. Description of Request

The Centers for Medicare and Medicaid Services (CMS) requires that the Department of Human Services (DHS), Office of Developmental Programs (ODP) use a statewide standardized needs assessment to assure that necessary supports and services are consistently and appropriately delivered. To support this requirement, ODP is contracting with the American Association of Intellectual and Developmental Disabilities (“AAIDD”) for the use of their “SUPPORTS INTENSITY SCALE” OR “SISTM” assessment tool. ODP and/or its contractors will use this tool in conjunction with the Commonwealth’s designated supplement to complete assessments of consumers enrolled in the Consolidated and Person/Family Directed Support waiver programs
