Basis for the Emergency Purchase**Threat to public health, welfare, or safety****Identify the Threat:**

SCI Smithfield has an electrical surge and which burned up several transponder cards, controller boards and surge suppressors on their perimeter intrusion systems around the facility. The surge also burned up a hot loop circulation pump and motor which sends hot water to the facility from the power plant. The surge caused the control touchscreen HMI'S to short out and had doors continually opening on I Block. As of now these doors are being keyed because the shorted buttons on the touch screens are disconnected. Finally it affected some of the cameras which are not responding the joystick controls.

Provide a brief explanation of the need for the material and/or service:

This is a security issue which must be corrected immediately

State the consequence if the procurement is not done on emergency basis:

If these systems are not fixed immediately the institution is not completely secure which is a threat to public safety and the welfare of inmates and staff
