- 1. Category of Emergency is due to "Circumstances outside the control of the agency create an urgency of need, which does not permit the delay in using more competitive methods."***
- 2. It is not practical for the agency to obtain two or more quotes.***

Is only a single supplier capable of providing the material or services? If Yes, please explain. If not applicable, leave blank and respond in the next block.

Yes vendor currently supplies the DOC

Explain why it is not practical to obtain two or more quotes for this emergency procurement.

Lack of these drugs could provide an acute health risk

If timing is a factor, what is the time factor and why? If yes, please explain.

We cannot have disruption of patient care.

Are there compatibility requirements or compliance requirements? If yes, please explain.

NOTE: If the purpose of the emergency procurement is to prevent a lapse in contracted services, one of the following must be checked. Include status of the new contract/purchase and note any special conditions of the emergency procurement.

To extend a current contract with the current contractor to prevent a lapse in contracted services.

This vendor currently supplies these drugs to SCI Pittsburgh and has these drugs in stock; therefore, they will be readily available. DGS is working with the DOC to put in place a new RFP or IFB for these drugs.

To bridge a gap between an expiring contract and a new contract by allowing the new contractor to begin work before the new contract is fully

To authorize a supplier, who has been properly selected through one of the methods of award, to begin work before the new contract is fully executed because the agency needs the services immediately and cannot wait until full execution of the

If none of the above is applicable, explain how the emergency supplier was selected.
