

Contractor Personnel Resume Upload

Instructions for Contractor Personnel Resume Upload

Contractor Personnel and Qualifications:

For the **Project Manager**, provide a resume that demonstrates project management skills and the technical knowledge required to successfully develop and implement the project. Minimum acceptable experience is outlined in Section II, Pay Items, on the Tree Trimming and Stump Removal Services Statement of Work.

For the **Working Foreperson**, provide a resume that demonstrates experience in tree trimming and stump removal; including experience as a foreperson and of T-Lift/Climbing experience (if T-Lift is not required for this RFP, Contractor can provide Climbing experience only); and having direct knowledge of safe tree trimming and/or tree removal practices, as required by the terms of this contract. Minimum acceptable experience is outlined in Section II, Pay Items, on the Tree Trimming and Stump Removal Services Statement of Work.

These documents must be uploaded as a response to this Invitation for Bid (IFB).

Failure to complete and upload this form may deem your Bid as non-responsive.
