The Small Business Certification will be provided after the self-certification process on the SBR site: smallbusiness.pa.gov. REQUIREMENTS:

- A. FIRE SAFETY & PREVENTION RESPONSIBILITY:** To ensure the safety against risk of fire, any event that will utilize open flame or heating elements will require prior submission and approval from DGS by submitting the [Fire Safety Permit Form](#), and safety precautions must be observed. This Form must be submitted to DGS Fire Safety for approval of use of any open flame device or electric heating element, etc.
1. It is the responsibility of the procuring agency to submit the Fire Safety Permit Form to DGS.
 2. Any open flame must be monitored by the contractor up until the transfer of responsibility is given to a responsible individual assigned by the agency for the event.
- B. PROVISION FOR DONATION OF EXCESS PREPARED FOOD:** As a further condition for receiving Purchase Orders, Contractors must agree to make a good faith effort to donate to a nonprofit organization for ultimate free distribution to needy individuals any apparently wholesome food or grocery products apparently fit for human consumption which are not consumed at the Commonwealth function. A good faith effort includes, but is not limited to, contacting one or more of the entities appearing on the referral listing maintained by the Department of Agriculture. Contractor is hereby put on notice that liability will not attach if the Contractor complies with 42 PA. C.S. 8338. Agencies are to include this provision (which is required by Management Directive No. 215.13) on all Purchase Orders issued under this Contract.
- C. SUPPLIES MANUFACTURED BY OR SERVICES PERFORMED BY PERSONS WITH DISABILITIES:** UniqueSource Products & Services (UniqueSource) is the Pennsylvania marketing organization for agencies employing persons with disabilities that utilize persons with disabilities in

75% of the direct labor of manufacturing supplies or performing services. The Commonwealth is required by law to support this program through its contracting divisions. Therefore, when UniqueSource offers a comparable supply or service on their statewide requirements contract, the Commonwealth using agency must purchase the comparable supply or service from UniqueSource at a fair market price established by the Department of General Services.

At this time, UniqueSource provides boxed lunches and cold buffet lunches, which includes wraps, sandwiches, vegetable trays, salads, etc. These items are available on the statewide requirements Contract #4400004695. If UniqueSource is unable to provide the catering services for a specific event, the Commonwealth using agency may then contact the awarded suppliers on the Catering Service Contract. 3. Any Commonwealth Agency that is holding a meeting/conference in a facility where catering services will be included and only the facility can cater the event.
4. Any Commonwealth Agency that has a scheduled catering event at the PA Farm Show Complex. Agencies must use the contracted resource for the Farm Show Complex, if one is provided by the Department of Agriculture.

E. POST AWARD ADMINISTRATION: The Contractors' performance shall be monitored and evaluated in accordance with the requirements outlined in the Contract and the agencies' requests for quotes. At a minimum, the Contractors' performance shall be evaluated on an annual basis. Contractors may be required to attend Contract performance review meetings. These meetings will be for the purpose of providing Contractor performance reviews, discussion of issues either party may have concerning the Contract or to evaluate the overall progress of the Contract. The meetings will be held quarterly, semi-annually or annually at the discretion of the Department of General Services, or upon special request of the using agency.

REQUEST FOR QUOTES (RFQ) PROCEDURES: Commonwealth agencies will issue an RFQ to qualified Contractors, through the Commonwealth's Custom Portal, powered by the JAGGAER system. Contractors will respond to the RFQ in the system. The requesting agencies may require the qualified Contractors to furnish, upon request, additional documentation in the RFQ. The qualified Contractors selected for the RFQ process will receive a Purchase Order (PO) and will supply the service to meet the specific requirements as indicated in the RFQ.

Agencies will make a best value selection based upon the criteria set forth in the RFQ. Best Value refers to the process of selecting the quote which provides the greatest value to the agency based on evaluating and comparing all pertinent criteria, including cost, so that the Contractor whose overall proposal best suits the agency's needs is selected for each individual project.
