1M MILKSHAKE-Frozen. Portion packed. Size:4, 6, or 8 oz. by volume. Flavors: Chocolate, Vanilla, Strawberry and/or Orange creme. Product shall be made from a pure, clean and pasteurized frozen mix containing fresh cow's milk and/or NFD milk powder, cream or butter, cane sugar, corn sugar, cocoa, vanilla or strawberry flavorings and stabilizers. Product shall contain not more than 6 grams per 4 oz. serving of milk fat. At least 45 cal per ounce serving. Label on each container must include complete list of ingredients and nutritional labeling information.

30 doz.
(prefer
6 oz.)

10 Vanilla
10 Choc
10 Straw

The product shall be prepared, processed and packaged under modern sanitary conditions. Containers shall be sound, clean and properly sealed with manufacture date on each container. Each container shall be marked with the name of the product and shall bear the name and address of the manufacturer or distributor. Container of milkshake must be able to fit in a 3½" high x 5¼" wide compartment of an enclosed heat retention tray. (Buyer to omit this container size requirement if it is not applicable for your use.)

Frozen shelf life of milkshakes shall be at least 9 months at 0°F. Product must be delivered in a solidly frozen condition. If unit price involves rebate, the rebate must be provided by the vendor prior to or at the time of delivery. (Buyer to specify portion size, flavors and container size requirements if applicable.)
