SPECIFICATIONS  
PSP BESO EQUINE VETERINARY SERVICES**

**I-1. Statement of the Project.**

The Pennsylvania State Police (PSP), Bureau of Emergency and Special Operations (BESO) is issuing this Invitation for Bid (IFB) to procure Equine Veterinary Services. These specifications and quantities are set forth in these specifications as for all related products and services. Services to be effective upon issuance of valid purchase order for a period of one (1) year with four (4) optional one (1) year renewals.

**I-2. Specification and Quantity.**

Bids shall include quoted rates for periodic, routine and non-routine services and provide unit costs for all anticipated related services. Miscellaneous supplies and medications, and miscellaneous medical treatments and examinations not included in the quoted rates shall be invoiced to PSP at the vendor's current rates. PSP will only accept invoices and issue payments for actual supplies and medications provided, and actual treatment and examination services performed.

Item	Quantity
