Date: **3/11/2024**
Subject: **Title IX Counsel RFP**
Solicitation Number: **OGC-2024-03**
Due Date/Time: **March 12, 2024 @ 4:00 PM EST**
Addendum Number: **3**

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals). |

The Issuing Office received the following questions regarding the above-referenced RFP and provides the following responses.

Q.1. Since we are not sure of the exact dollar value of the contract or what we will be paid during the life of the contract, how should we determine the dollar value to input in the SDB/VBE submittal?

A.1. You can use the cost submittal as a base for your calculations concerning the committed percentage and dollar amount. Calculation results in the cost submittal are for evaluation purposes only. Any figures presented in the RFP are based on historical usage and may fluctuate based on future needs. SDB/VBE submittals referencing “total contract value” are estimates only. Compliance for the contract is based on the SDB/VBE percentage commitment. This is calculated based on actual payments from the Commonwealth to the prime during the contract period and the payments that the prime made to the SDB/VBE.

If you asked a question, and do not see your question listed, please let me know right away so we can get you a response as soon as possible

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully, |
