Addendum Number:	1

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation "Addendum" as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals), including but not limited to questions and answers, which are considered a material part of the solicitation.

Please see the following update: Addendum 1 does the following:

Questions asked and answered.

1. This RFP for Bucks, Montgomery, and Chester Counties appear to have been bid last year as well. This appears to have had the ability to be renewed for 4 more years. Was it PennDOT's decision to non-renew this contract or was it the Contractors?

In accordance with the terms and conditions of Commonwealth procurements, the Commonwealth may undertake or award other contracts for additional or related work.

2. Is any information available as to why the contract was nonrenewed?

Requests for additional details can be submitted via the Commonwealth's Right-to-Know law: <https://www.pa.gov/agencies/oa/right-to-know/oa-rtkl-policy#accordion-e2e03b1270-item-733370c504>

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous Addendum(s), remain as originally written.
