## **IMPORTANT NOTES:**

- The person responsible for submitting the response to the RFx in the Vendor Portal must be a registered contact within the Vendor's Company Profile, and responses can only be made by registered contacts who have been assigned a role in Vendor Portal as either "Administrator" or "Logistics". If the person isn't currently registered and/or does not currently have the proper role assigned, the company's Vendor Portal "Administrator" must add the appropriate contacts and/or assign the contact the "Logistics" role. Please allow 5 business days for processing a new contact.

- To ask questions or submit a proposal in response to this RFP you must be registered in the Commission's Vendor Portal.
- When submitting your proposal please allow plenty of time to upload documents completing your submission before the deadline. The Commission's Vendor portal will not allow uploads and submissions past the deadline. The file size upload limit is 25 MB, and supported file types are PDF, Microsoft Word, PowerPoint, Excel, .jpg, .jpeg, and .png. Please name your files accordingly as Technical; Cost; and DB if applicable.
- **Proposal Submission:** All proposals must be submitted via the PA Turnpike Commission Vendor Portal. In order to protect the integrity of the procurement process, this is the only way to submit a proposal for this RFP.
- **In order to submit your proposal in the Commission's Vendor Portal for this RFP, proposers must submit a bid price of \$1.00 on the RFx line in addition to attaching the completed Cost Proposal.**

2. Remove Appendix H in its entirety and replace with the updated Appendix H dated 04/21/2025. The Header was incorrect on the original version.

### **ADDITIONS**

1. Revised Appendix H dated 04/21/2025

All other terms, conditions and requirements of the original RFP dated 04/17/2025 remain unchanged unless modified by this Addendum.
