Addendum Number:	2

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation "Addendum" as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals), including but not limited to questions and answers, which are considered a material part of the solicitation.

Please see the following update: Addendum 2 does the following:

- **Revised Statement of Work uploaded:** Changes made to: Additional Specifications
- **Questions Asked and Answered:**
 1. None of the other graffiti at ground level is included in the scope of this Project, correct? It's only graffiti >15' High, >10' Shoulder.
Our quantities and measurements are estimates and they should remove the graffiti as identified in the photos and charts.
 2. Can you forward a list of PennDOT certified drone operators?
We are unable to provide the certified list, as it contains employee(s) confidential information. Please note the change to the Revised Statement of Work: Additional Specifications.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous Addendum(s), remain as originally written.
