Addendum Number:	3

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation "Addendum" as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals), including but not limited to questions and answers, which are considered a material part of the solicitation.

Please see the following update: Addendum 3 does the following:
Questions asked and answered.

1. Is there any estimate for miles traveled for each of these contracts? Or do you have records of miles traveled last year? **The Department does not have an estimate and does not track this data.**
2. Is there any estimate for lbs. or tons dropped at the dump sites? Or do you have records of lbs./tons dumped last year? **While the Department does collect waste receipts, we do not have a formal system to track cumulative tons and therefore do not have an estimate at this time.**
3. Based on the estimated hours, a total cost will be presented. If the estimated hours are completed, will there be a change order if additional hours are needed? **All quantities are estimated, and the Department reserves the right to increase or decrease these quantities based upon need.**

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous Addendum(s), remain as originally written.
