Glossary

Term		Description	
Zone		Zone Description	
New Enrollees		Total number NEW members who enrolled either voluntarily or were auto assigned under the HealthChoices program including members who had less than 14 days to enroll. These are members that are scheduled to start on the given plan start date.	
Total Enrollees		Total number of members that are currently enrolled under the HealthChoices program. This is a snapshot of member count as of the given plan start date.	
Plan Start Date		Given Plan Start Date	
Program		Program Code for which the report is run. Value = HealthChoices	
County		County Description	
New Eligibles		Total number of new members who were eligible under HealthChoices program and voluntarily selected a managed care health plan or were auto assigned. This count includes members who had less than 14 days to enroll.	
Choice Enrollments		Total number of new members who voluntarily selected a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.	
Auto Enrollments		Total number of new members who were auto assigned to a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.	
Choice Rate		Total number of new members who voluntarily selected a managed care plan under the HealthChoices program as a percentage of total new members who were eligible under the program. This choice rate accounts for members who had less than 14 days to enroll.	
Report Description: Total number of new and ongoing members enrolled into the HealthChoices program.. This report doesn't follow Performance Indicators logic and includes new eligibles who had less than 14 days to enroll.

Glossary

Term		Description	
Zone		Zone Description	
New Enrollees		Total number NEW members who enrolled either voluntarily or were auto assigned under the HealthChoices program including members who had less than 14 days to enroll. These are members that are scheduled to start on the given plan start date.	
Total Enrollees		Total number of members that are currently enrolled under the HealthChoices program. This is a snapshot of member count as of the given plan start date.	
Plan Start Date		Given Plan Start Date	
Program		Program Code for which the report is run. Value = HealthChoices	
County		County Description	
New Eligibles		Total number of new members who were eligible under HealthChoices program and voluntarily selected a managed care health plan or were auto assigned. This count includes members who had less than 14 days to enroll.	
Choice Enrollments		Total number of new members who voluntarily selected a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.	
Auto Enrollments		Total number of new members who were auto assigned to a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.	
Choice Rate		Total number of new members who voluntarily selected a managed care plan under the HealthChoices program as a percentage of total new members who were eligible under the program. This choice rate accounts for members who had less than 14 days to enroll.	
Report Description: Total number of new and ongoing members enrolled into the HealthChoices program.. This report doesn't follow Performance Indicators logic and includes new eligibles who had less than 14 days to enroll.

Glossary

Term	Description
Zone	Zone Description
New Enrollees	Total number NEW members who enrolled either voluntarily or were auto assigned under the HealthChoices program including members who had less than 14 days to enroll. These are members that are scheduled to start on the given plan start date.
Total Enrollees	Total number of members that are currently enrolled under the HealthChoices program. This is a snapshot of member count as of the given plan start date.
Plan Start Date	Given Plan Start Date
Program	Program Code for which the report is run. Value = HealthChoices
County	County Description
New Eligibles	Total number of new members who were eligible under HealthChoices program and voluntarily selected a managed care health plan or were auto assigned. This count includes members who had less than 14 days to enroll.
Choice Enrollments	Total number of new members who voluntarily selected a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Auto Enrollments	Total number of new members who were auto assigned to a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Choice Rate	Total number of new members who voluntarily selected a managed care plan under the HealthChoices program as a percentage of total new members who were eligible under the program. This choice rate accounts for members who had less than 14 days to enroll.
Report Description: Total number of new and ongoing members enrolled into the HealthChoices program.. This report doesn't follow Performance Indicators logic and includes new eligibles who had less than 14 days to enroll.

Glossary

Term	Description
Zone	Zone Description
Total Enrollees	Total number of members that are currently enrolled under the HealthChoices program. This is a snapshot of member count as of the given plan start date.
Plan Start Date	Given Plan Start Date
Program	Program Code for which the report is run. Value = HealthChoices
County	County Description
New Eligibles	Total number of new members who were eligible under HealthChoices program and voluntarily selected a managed care health plan or were auto assigned. This count includes members who had less than 14 days to enroll.
Choice Enrollments	Total number of new members who voluntarily selected a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Auto Enrollments	Total number of new members who were auto assigned to a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Choice Rate	Total number of new members who voluntarily selected a managed care plan under the HealthChoices program as a percentage of total new members who were eligible under the program. This choice rate accounts for members who had less than 14 days to enroll.
Report Description: Total number of new and ongoing members enrolled into the HealthChoices program.. This report doesn't follow Performance Indicators logic and includes new eligibles who had less than 14 days to enroll.

Glossary

Term		Description
Zone		Zone Description
New Enrollees		Total number NEW members who enrolled either voluntarily or were auto assigned under the HealthChoices program including members who had less than 14 days to enroll. These are members that are scheduled to start on the given plan start date.
Total Enrollees		Total number of members that are currently enrolled under the HealthChoices program. This is a snapshot of member count as of the given plan start date.
Plan Start Date		Given Plan Start Date
Program		Program Code for which the report is run. Value = HealthChoices
County		County Description
New Eligibles		Total number of new members who were eligible under HealthChoices program and voluntarily selected a managed care health plan or were auto assigned. This count includes members who had less than 14 days to enroll.
Choice Enrollments		Total number of new members who voluntarily selected a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Auto Enrollments		Total number of new members who were auto assigned to a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Choice Rate		Total number of new members who voluntarily selected a managed care plan under the HealthChoices program as a percentage of total new members who were eligible under the program. This choice rate accounts for members who had less than 14 days to enroll.
Report Description: Total number of new and ongoing members enrolled into the HealthChoices program.. This report doesn't follow Performance Indicators logic and includes new eligibles who had less than 14 days to enroll.

New Eligibles	Total number of new members who were eligible under HealthChoices program and voluntarily selected a managed care health plan or were auto assigned. This count includes members who had less than 14 days to enroll.
Choice Enrollments	Total number of new members who voluntarily selected a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Auto Enrollements	Total number of new members who were auto assigned to a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.

Choice Rate

Total number of new members who voluntarily selected a managed care plan under the HealthChoices program as a percentage of total new members who were eligible under the program. This choice rate accounts for members who had less than 14 days to enroll.

Report Description: Total number of new and ongoing members enrolled into the HealthChoices program. This report doesn't follow Performance Indicators logic and includes new eligibles who had less than 14 days to enroll.

Glossary

Term	Description
Zone	Zone Description
New Enrollees	Total number NEW members who enrolled either voluntarily or were auto assigned under the HealthChoices program including members who had less than 14 days to enroll. These are members that are scheduled to start on the given plan start date.
Total Enrollees	Total number of members that are currently enrolled under the HealthChoices program. This is a snapshot of member count as of the given plan start date.
Plan Start Date	Given Plan Start Date
Program	Program Code for which the report is run. Value = HealthChoices
County	County Description
New Eligibles	Total number of new members who were eligible under HealthChoices program and voluntarily selected a managed care health plan or were auto assigned. This count includes members who had less than 14 days to enroll.
Choice Enrollments	Total number of new members who voluntarily selected a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Auto Enrollements	Total number of new members who were auto assigned to a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.

Choice Rate

Total number of new members who voluntarily selected a managed care plan under the HealthChoices program as a percentage of total new members who were eligible under the program. This choice rate accounts for members who had less than 14 days to enroll.

Report Description: Total number of new and ongoing members enrolled into the HealthChoices program. This report doesn't follow Performance Indicators logic and includes new eligibles who had less than 14 days to enroll.

Glossary

Term	Description
Zone	Zone Description
New Enrollees	Total number NEW members who enrolled either voluntarily or were auto assigned under the HealthChoices program including members who had less than 14 days to enroll. These are members that are scheduled to start on the given plan start date.
Total Enrollees	Total number of members that are currently enrolled under the HealthChoices program. This is a snapshot of member count as of the given plan start date.
Plan Start Date	Given Plan Start Date
Program	Program Code for which the report is run. Value = HealthChoices
County	County Description

New Eligibles	Total number of new members who were eligible under HealthChoices program and voluntarily selected a managed care health plan or were auto assigned. This count includes members who had less than 14 days to enroll.
Choice Enrollments	Total number of new members who voluntarily selected a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Auto Enrollements	Total number of new members who were auto assigned to a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Choice Rate	Total number of new members who voluntarily selected a managed care plan under the HealthChoices program as a percentage of total new members who were eligible under the program. This choice rate accounts for members who had less than 14 days to enroll.

Report Description: Total number of new and ongoing members enrolled into the HealthChoices program. This report doesn't follow Performance Indicators logic and includes new eligibles who had less than 14 days to enroll.

Report Number: ENR-01-M

Glossary

Term	Description
Zone	Zone Description
New Enrollees	Total number NEW members who enrolled either voluntarily or were auto assigned under the HealthChoices program including members who had less than 14 days to enroll. These are members that are scheduled to start on the given plan start date.
Total Enrollees	Total number of members that are currently enrolled under the HealthChoices program. This is a snapshot of member count as of the given plan start date.
Plan Start Date	Given Plan Start Date
Program	Program Code for which the report is run. Value = HealthChoices
County	County Description
New Eligibles	Total number of new members who were eligible under HealthChoices program and voluntarily selected a managed care health plan or were auto assigned. This count includes members who had less than 14 days to enroll.

Choice Enrollments	Total number of new members who voluntarily selected a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Auto Enrollments	Total number of new members who were auto assigned to a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Choice Rate	Total number of new members who voluntarily selected a managed care plan under the HealthChoices program as a percentage of total new members who were eligible under the program. This choice rate accounts for members who had less than 14 days to enroll.

Report Description: Total number of new and ongoing members enrolled into the HealthChoices program. This report doesn't follow Performance Indicators logic and includes new eligibles who had less than 14 days to enroll.

Report Number: ENR-01-M

Glossary

Term	Description
Zone	Zone Description
New Enrollees	Total number NEW members who enrolled either voluntarily or were auto assigned under the HealthChoices program including members who had less than 14 days to enroll. These are members that are scheduled to start on the given plan start date.
Total Enrollees	Total number of members that are currently enrolled under the HealthChoices program. This is a snapshot of member count as of the given plan start date.
Plan Start Date	Given Plan Start Date
Program	Program Code for which the report is run. Value = HealthChoices
County	County Description
New Eligibles	Total number of new members who were eligible under HealthChoices program and voluntarily selected a managed care health plan or were auto assigned. This count includes members who had less than 14 days to enroll.
Choice Enrollments	Total number of new members who voluntarily selected a managed care health plan under the HealthChoices program or made a preferred MCO selection through COMPASS portal. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Auto Enrollments	Total number of new members who were auto assigned to a managed care health plan under the HealthChoices program. These are members that are scheduled to start on the given plan start date and includes members who had less than 14 days to enroll.
Choice Rate	Total number of new members who voluntarily selected a managed care plan under the HealthChoices program or through COMPASS portal as a percentage of total new members who were eligible under the program. This choice rate accounts for members who had less than 14 days to enroll.

Report Description: Total number of new and ongoing members enrolled into the HealthChoices program.. This report doesn't follow Performance Indicators logic and includes new eligibles who had less than 14 days to enroll.

Report Number: ENR-01-M
