

1. SPECIFICATIONS AND REQUIREMENTS

1.1 SCOPE:

1.1.1. These specifications are for motorcycles for the Pennsylvania Motorcycle Safety Program (PAMSP). These motorcycles will be used to meet the National Training Standards for the Pennsylvania Program.

1.1.2. PAMSP intends to purchase new, never titled motorcycles. Motorcycles purchased must meet the definition, specifications and or requirements listed below.

- a. New (MY2023 or Newer): Motorcycles that have never been titled to an individual and does not have more than twenty-five (25) miles on the odometer.
- b. The motorcycle must be prepped and ready to use when delivered.
- c. The motorcycle must have a full tank of gas.
- d. Motorcycles must be street legal.

1.1.3 An estimated quantity of sixty (60) motorcycles will be purchased each year of the contract. The commonwealth makes no representation or guarantee as to the actual amount of units to be purchased by the participating agency. **Bidders should provide a blended rate; one price which will apply to all models which can be supplied, and inclusive of the cost to title the motorcycle.** Please indicate on Attachment F which makes and models you are able to supply to the Commonwealth by checking the box before. To be considered a responsive bid Attachment F must be completed and uploaded with your response.

1.1.4 Repair parts are to be readily available at the dealer level. An adequate stock of repair parts are to be maintained at the national level. Dealer should be able to supply parts within two (2) working days of receipt of a revised purchase order.

1.1.5 All parts not specifically mentioned, but which are necessary to provide a complete unit, or which are normally furnished as standard equipment, shall be furnished by the successful bidder, and shall conform in strength and quality of material and workmanship to what is provided by the industry in general.

1.1.6 Parts and Service Manuals shall be included, if available.

1.1.7 All deliveries of motorcycles will be made within 60 days of the issuance of a Purchase Order to the vendor. Remediation for defective bikes will need to take place within 30 days of notification of a defective bike. Deliveries will be accepted Monday through Friday from 7am to 3:30pm to the following address and must be coordinated with the Project Manager, Colleen Anderson:

PennDOT Motorcycle Warehouse
3325 Connelly Road
Emigsville, PA 17318
