DAIRY PRODUCTS

1. **INSPECTION:** All specified Dairy Products and Drinks shall conform to Title 7, Pennsylvania Code, Chapter 59, Milk Sanitation and Standards. All dairy products requiring US Grade must be processed in a plant approved for USDA Grading Service. Shipping cartons shall bear the USDA inspection legend or plant number and packages shall bear the appropriate US Grade shield.
2. **LABELING:** Food labels shall comply with the Nutritional Labeling and Education Act of 1990 (NLEA), as administered by the Food and Drug Administration Office of Food Labeling, Center for Food Safety and Applied Nutrition. Products shall comply with the current standards of identity as defined by the most current revision of 21 Code of Federal Regulations, parts 100-169. Ingredients must be specified to comply with NLEA regulations.
3. **DELIVERY TIME LIMITATIONS:** Chilled dairy products must be delivered with a remainder of shelf life as specified. Items from freezer storage must be delivered within 90 days from date of pack.
4. **PRODUCT CONDITION AT TIME OF DELIVERY:** To assure specified state of refrigeration, all deliveries shall be made on clean refrigerated or freezer trucks. Chilled items shall be delivered at no higher than 40° F (4.4C) and show no signs of mishandling. Frozen items shall be solidly frozen and show no evidence of defrosting, refreezing, freezer burn or dehydration of mishandling. Final acceptance of frozen items may be based on inspection of the thawed product, not to exceed 15 business days after delivery.
5. **PACKAGING AND PACKING:** Fiber board containers shall be of a size and shape normally used for the product and packed to full capacity without slack-filling or overfilling. Case closure to be accomplished by taping, strapping, or gluing. Staples shall not be used as a final case closure. All master containers shall not exceed 50 lbs., unless otherwise specified.
6. **CONTENTS:** The facility reserves the right to submit samples for laboratory analysis. If laboratory analysis verifies the ingredients do not meet the specified requirements, the cost of analysis will be charged to the vendor and product is subject to rejection by the facility. No further awards will be made to any firm with an unpaid laboratory fee.
7. **ACCEPTABLE BRANDS:** Any brand or product identified in a specification will be the only brand(s) accepted. Bidder must provide product/brand being bid for each item when submitting bid. Products and brands not previously approved by the Dietary Department will not be

acceptable. Samples must be properly labeled and identified with name of bidder and applicable item name, corresponding specification number and name and ingredient statement. Failure to comply with the requested information may be cause for rejection of request for evaluation.

8. **DELIVERY DATES:** Delivery must be made on dates during the hours as specified in contract. Noncompliance will be cause for rejection unless prior approval for change is granted by the director of dietary services.

9. **QUANTITIES:** Quantities listed are estimates only and may be increased or decreased in accordance with the actual requirements of the facility. The facility may cancel any quantity of an order by providing notice at least 15 days prior to a scheduled delivery date, and will only pay the vendor for products actually accepted by the Department.

10. **AMOUNTS AND PAYMENT OF COMMODITIES:** Vendor shall indicate at the time of delivery any discrepancies between actual net weight or count and the contracted amount and record the discrepancy on the delivery slips. Vendor agrees that the Commonwealth will accept and pay only for actual net weight or count determined at the time of delivery.
