

Addendum to Invitation for Bid (IFB) # 6100062943

WIC Invasive Hemoglobin

Date: January 29, 2026

Addendum Number: 7

Addendum Changes:

This addendum is to answer questions in response to IFB 6100062943.

- 1) Question 1: We are seeking clarification on the total amount for the products, for example, regarding the Microcuvettes, I am showing quantities of 842 each and 780 each. Are you requesting microcuvettes or for each box? My understanding is that the cost per box should be divided by the number of microcuvettes contained in each box (200 per box) to determine the per-unit cost. That per-unit cost would then be applied to the total quantity requested (e.g., 842 microcuvettes each, not per box). Please confirm whether this interpretation is correct.

Response 1: The 842 is the number of boxes (200 per box).
