Question: Hello and good morning, We received notice from our PA vendor service that the "Invitation for Bid 6100064852" was open and we would like to participate if possible.

While going through we noticed the dealer license portion of the requirements. Being out of TN we don't have that, but were curious if we could still bid using our License and all the other requirements listed?

Answer: No, the Solicitation requirements indicate in order to be eligible for award, an offeror must be an Authorized/Franchised dealer representing the manufacturer of Vehicles offered to the Commonwealth.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully,
