

## **ITQ 3520T01 - Questions and Answers**

**Question 1** - If the contract is up for renewal, do I need to submit new bid or can old information be used?

**Answer 1** – A new application for ITQ 3520T01 will need to be submitted. The documentation on file for ITQ 3515T01 cannot be used for the ITQ 3520T01 application.

**Question 2** - When does the bid have to be submitted by?

**Answer 2** - The initial deadline is June 8, 2021. Bids will also be accepted after that date as well. This information is covered in the advertisement documentation.

**Question 3** - Can we just do an area?

**Answer 3** - Request For Quotes (RFQ's) and Purchase Orders are issued by the individual counties.

**Question 4** - Is there any special training or license that you look for in awarding the bid?

**Answer 4** - There is no special training or license. The requirements to be awarded a contract are covered in the advertisement documentation.

**Question 5** – Can the application paperwork be sent by fax or must it be mailed?

**Answer 5** – The application paperwork must be mailed.

**Question 6** – Which Exhibits need submitted along with the other required documents?

**Answer 6** – Exhibit D (Contract Signature Page) and Exhibit E (Location Sheet).

**Question 7** – Can PennDOT mail the application materials to vendors?

**Answer 7** – No, the application materials cannot be mailed and are posted at:
