

The Pennsylvania Fish & Boat Commission is seeking bids for a Crane Deming Vertical Turbine Pump to be shipped to the Linesville State Fish Hatchery, 13300 Hartstown Road, Linesville, PA 16424.

Due to this pump needing to match up with current infrastructure, this is a no substitute bid. Bids must meet the following specifications:

- Model 4771 or model close or similar
- Size M14 – 1 Stage
- Similar to S/N T-88707-8
- With 316 SS Strainer
- For 6' Sump Depth
- 1500 GPM at 65 TDH

Vendor must be an authorized dealer and repair facility for the pump quoted.

Price should **not** include installation.

Price should include delivery to the Linesville State Fish Hatchery.

Attached Worker Protection Form and Reciprocal Limitations Form must be submitted with bid.

Any questions regarding this bid must be submitted in writing before January 3, 2024, at 10:00AM to Patty Kachik at pkachik@pa.gov.
