

Attachment L. List of Vehicles and Equipment

This page is to be completed and returned with bid.

License OR Identification Number	Purpose	Type of Vehicle or Equipment	Capacity/Size

The vehicles and equipment utilized for maintenance contract work must meet the requirements as described in the contract specifications and the laws and regulations of Pennsylvania. The Contractor hereby verifies that the list of equipment above is necessary for the contract maintenance work and is available upon the District's request for inspection and demonstration. The Contractor agrees to update and maintain a current list of all vehicles and equipment utilized on the contract maintenance work. All vehicles and equipment shall be inspected and approved by PennDOT. Where a Contractor intends to rent equipment, such as Shadow Vehicle Truck Mounted Attenuator (TMA), the Contractor shall provide documentation that they have access to these additional pieces of equipment by a letter from the intended provider/ rental company by the date of the demonstration.
