

Locating and Responding to Bids in the PA Supplier Portal

Locating a Solicitation (Bid)

1. Open your web browser and go to www.pasupplierportal.state.pa.us. Please note the important information regarding compatible browsers for the PA Supplier Portal website on the Welcome page.

2. Select the **Log on** button at the top right of the page.

3. Enter the **User ID** and **Password** you created when you registered as a supplier and log on. Once the User ID and Password are entered, a system message will display that a passcode has been sent to your email. Once the passcode is received, enter it into the space provided to access the system. *If you are unable to log in, please call the Help Desk at (877) 435-7363 and stay on the line for further information.*

A screenshot of the login page on the Pennsylvania Supplier Portal. The page has a light blue background and contains the following text: 'Welcome Pennsylvania Suppliers!', 'The PA Supplier Portal is a secure site. The PA Supplier Portal certified browsers are Internet Explorer 8.0 through 11.0. Other products may work; however, full functionality cannot be assured.', and an 'Important System Notice to Suppliers' in red text: 'NOTICE: Multi-Factor Authentication has been enabled. Type in User, Password, and click Log On. Check your email for the emailed passcode that will allow continued access to the PA Supplier Portal screens.' Below the notice are two input fields for 'User *' and 'Password *', followed by a 'Log On' button. At the bottom, there is a 'Logon Problems and Need Help?' section with contact information for assistance: 'For assistance, send email to: RA-PSCSRMPORTAL@pa.gov. Include tax identification number, vendor number, vendor name, user name, and detail of issue.' and two links: 'Forgot Your Password?' and 'Forgot Your UserID?'.

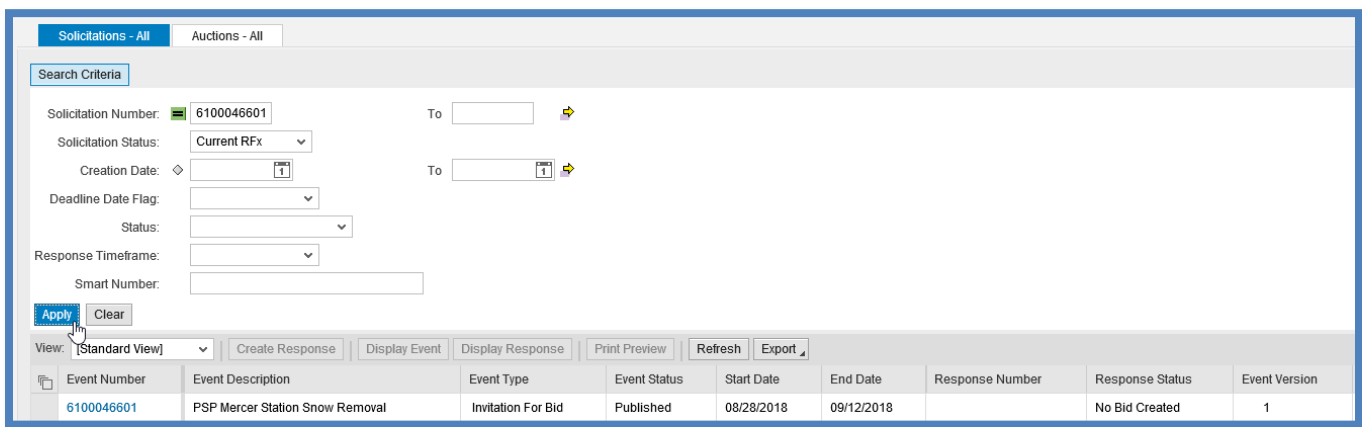

- Choose the **Bidder** tab to begin. If you do not see a Bidder tab, another person at your company with separate log-in credentials may have been assigned the Bidder role. Work with your company's Vendor Administrator determine who has the bidder access.

- The **Bid Processing** screen will open and will display all Events currently open for responses on the Solicitations – All tab. If the search fields seen below are not visible, select the **Search Criteria** button to display them.

- To search for and respond to a specific Solicitation (bid), enter the **Solicitation Number** in the appropriate field and select the **Apply** button. The Solicitation will appear below. *Please ensure all fields below "Solicitation Status" are blank, as extra information such as "Status" or "Response Timeframe" may cause the system to skip over the desired Solicitation.*
- Click the blue **Event Number** link to open the Solicitation in a new window. *If your browser asks to allow pop-ups, select "Always Allow". If the window still does not open, ensure all pop-up blockers are disabled.*

Viewing and Responding to a Solicitation (Bid)
