## **MESSAGE**

The Commonwealth has determined that it is in its best interest to cancel RFP # 6100061471 Emergency Planning Software and reject all proposals.

A new solicitation, RFP 6100063098 Emergency Planning Software, will be posted to eMarketplace later this week at [www.emarketplace.state.pa.us](http://www.emarketplace.state.pa.us).

The following changes will be updated:

- The demonstration guidance has been updated to remove the recording option.
- Demonstrations will be held after receipt of proposals.
  - All offerors whose proposals meet the mandatory responsiveness requirements and are being scored by the evaluation committee will be invited to conduct a demonstration.

We encourage your company to monitor eMarketplace for future solicitation announcements. Additionally, you may register for eAlerts for automatic notification of Commonwealth solicitations.
