

Addendum to RFA# 67-203
Spinal Cord Injury Research Grant

Date: September 30, 2025

Addendum Number: 1

Addendum Changes:

- 1) This addendum is to provide answers to all questions per the RFA Potential Applicant letter.

Question 1: I would like to write a LOI but I couldn't find a word document template. I could only find a pdf version. Could you share the template with an editable software like Microsoft office word or something like that?

Answer: We request that all documents be submitted in PDF format, and that applicants use the documents available in PA Emarketplace.

Question 2: I am assisting with planned applications to this RFA. Are the budget limits per year? I was surprised to see budget limits of \$300k-\$500k, while the RFA states that only 3-6 awards will be made using the ~\$2.5M available funds.

Answer: According to Part One, D. Research Information and Research Priorities, 2. Research Priorities: the maximum allowable budget requests for each Tier is for the entire grant agreement period.

The estimate was based on previous applications received, however, refer to Part One, A. Information for Applicants, 3. Lead applicant and Support: there is no limit on the number of applications submitted by an institution.

- 2) This addendum is to amend the Letter of Intent (LOI) due date on the Potential Applicant letter, second paragraph and will be changed to October 1, 2026.
- 3) This addendum is to amend the dates on Part II, Attachment IV, Section IX. Research Proposal Milestones for Specific Aim.
