Question: In regard to Solicitation 6100053976, form GSPUR-89 Rev. 11/06/12 Reciprocal Limitations Act Requirements section III State Of Manufacture. Due to the extensive listing of tire articles that are being quoted for the state we have listed the articles on a separate document and have added it as an appendix to the GSPUR-89 Rev. 11/06/12 following the same table format as Section III State of Manufacture. Please advise if this is satisfactory or if there is a different means in which the state would prefer to have this information.

Answer For Tires, Auto, Truck, OTR, and Farm (Supplement 6100063239), the State requires you to complete the GSPUR-89 Rev document. In Section III: "State of Manufacture," you must fully complete the designated area on the form. If necessary, you may submit a separate document to provide additional details for Section III. Please note that the original bid (IFB 6100053976) closed on January 28, 2022

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.
