To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

*List any and all changes:*

We received two Questions on this bid:

1. Q: Would a 90-day exception be an approved exception for the core bank vs the 120 days as stated in the scope of work?  
A: Yes, we have revised the specifications to allow for a 90-day core bank. New specifications are now attached to the bid.
2. Q: It was asked if the Commonwealth would consider alternate language to allow for price increases on core items more often than at time of renewal.  
A: The specifications will remain as currently written. Price increases on the list of Core Items will only be permitted at the time of contract renewal. Every 12 months.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.
