To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

*List any and all changes:*

We received the following two questions.

1. Can you give us some more clarification on this (**BATTERY,CCA750,DEKA,7AG65MF**)? Is this a flooded or Glass Mat battery?

**A: The battery purchased from FMP was invoiced as: FVP 65HD BATTERY CCA720 RC145**

2. What if there are one or two numbers that you can't bid on?

**A: You must bid on all core items. Core Items will be awarded by low bid which will be determined by the lowest sum of all core items listed per district, again you must be able to supply all core items listed to the district you chose to bid on.**

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.
