**No Substitution:**

Equipment must be compatible/interchangeable with pre-existing equipment with exception to the UAG Rugged Case, which can be substituted provided they meet the same specifications/quality as the UAG brand.

If an item or part number has been discontinued, please notate in your response and/or provide the manufacturer’s replacement part/part number. If there is not a replacement part, you may submit a quote without that item(s).

**Additional Requirements:**

Please provide certification that the product(s) you are quoting are compliant with the rules/regulations of the National Defense Authorization Act.

The prohibition regarding certain telecommunications and video surveillance services or equipment is mandated by section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019(FY 2019 NDAA), Pub.L. No. 115-232 (2018).

Per section 889(f)(2)-(3) of the FY 2019 NDAA, covered telecommunications equipment or services means:

1. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation, (or any subsidiary or affiliate of such entities);
2. For the purpose of public safety, security of Government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
3. Telecommunications or video surveillance services provided by such entities or using such equipment; or
4. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the People’s Republic of China.
