

SOLICITATION ADDENDUM

Date: **03/22/2024**
Subject: **Extending Bid Closing Date and Time**
Solicitation Number: **REBID - Solicitation 6100060687 – Changes to Statement of Work Potable Water Delivery for Little Buffalo State Park Campground**
Due Date/Time: **03/25/2024 at 10:00 AM**
Addendum Number: **2**

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

List any and all changes:

This addendum is to update and clarify language in the solicitations Statement of Work.

In the Scope of Work, paragraph 1 will now read: “The Department of Conservation and Natural Resources, Bureau of State Parks, requires the services of a vendor to provide 5,000 gallons to 10,000 gallons of potable water on an as needed basis, per DEP regulations during the campground season (May 1, 2024 – October 20, 2024), at Little Buffalo State Park, 1579 State Park Road, Newport, PA 17074, Perry County.”

Also, the **Historic Campground Water Usage 2022-2023 Charts** will be removed from the Statement of Work as those charts included all water usage, not just potable water needs.

PLEASE NOTE: Potable water usage over the course of this six months is estimated at 60,000 gallons. However, usage will be higher during the summer months of June, July, and August when the park is at peak season. **Exact monthly needs cannot be predicted; vendors should be prepared to deliver water on an as-needed basis with a 48-hour lead time provided by the Park.**

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully,
