

SOLICITATION ADDENDUM

Date: **April 18, 2024**
Subject: **FD12 Naval Run DSA – Clarification on DSA Material**
Solicitation Number: **6100060881**
Due Date/Time: **April 23, 2024, at 10:00 am**
Addendum Number: **1**

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

List any and all changes:

During the pre-bid conference held Wednesday 4/17/24, it was determined there was an error in the Statement of Work, Section I. Scope of Work, paragraph 1. The DSA material was incorrectly listed as sandstone and/or limestone Driving Surface Aggregate (DSA). This should be changed to limestone only. The Statement of Work has been corrected and is uploaded within the Solicitation.

Note: NO change to solicitation end date.

Type of Solicitation: Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.

Respectfully,
