This Price Sheet is for the submittal of pricing for Bid #6100060923 for Supplemental Incontinent Supplies

Please complete the pricing information for any/all products that you would like to bid. You MUST submit pricing for all items for a Tab. If you do not submit a price for all the items your bid is subject for rejection. All quantities listed on this Price Sheet are estimates and may be increased or decreased at any time.

Please list your Company Name, SAP Vendor Number and Contact information in the space provided at the bottom of the Tabs.

All awards will be made to the supplier that has the LOWEST TOTAL bid per tab/manufacturer.

If you have other brands that you would like to submit please use the extra tabs provided. If more than one supplier bids additional brands a comparison will be done on the like items.

\*\*PLEASE DO NOT add items to any of the tabs currently provided. If you are the awarded supplier of that tab you will be given an opportunity to add products to that brand.

Once you have completed this form you must attach it to your bid in the system. If this Price Sheet is not attached to your bid submission your bid will be rejected.
