

## SOLICITATION ADDENDUM

Date: **April 16, 2024**  
Subject: **Supplemental Incontinent Supplies**  
Solicitation Number: **6100060923**  
Due Date/Time: **04/26/2024 – 11:00AM**  
Addendum Number: **1**

---

To All Suppliers:

The Commonwealth of Pennsylvania defines a solicitation “Addendum” as an addition to or amendment of the original terms, conditions, specifications, or instructions of a procurement solicitation (e.g., Invitation for Bids or Request for Proposals).

*List any and all changes:*

**SUPPLIER QUESTION 1.** Is there any current pricing for Bid IFB 6100053674 referenced in the Specifications or any other previous contract that the current IFB is replacing?

A 1. The current incontinent supplies contracts are found here: [PA - eMarketplace \(state.pa.us\)](https://www.eMarketplace.state.pa.us). This IFB is not replacing the current contract, it is a supplemental to the current one.

**SUPPLIER QUESTION 2.** Additionally, I understand that there will be no guarantee of delivery quantities, but is there any ordered quantity information you can provide based upon the current or previous contract?

A 2. The Commonwealth does not have this information.

**SUPPLIER QUESTION 3.** I am inquiring about the above solicitation. I am not a construction company, but do provide Supplies and Equipment to various industries. Are small businesses allowed to bid only on one color category or do we have to bid on the entire list?

A 3. Please complete the pricing information for any/all products that you would like to bid. You **MUST** submit pricing for all items for a Tab. If you do not submit a price for all the items your bid is subject for rejection.

**Type of Solicitation:** Electronic Bid (SRM) - Review the Questions section of your solicitation response to ensure you have responded, as required, to any questions relevant to solicitation addenda issued subsequent to the initial advertisement of the solicitation opportunity.

Except as clarified and amended by this Addendum, the terms, conditions, specifications, and instructions of the solicitation and any previous solicitation addenda, remain as originally written.
