

Attention Construction Management SMALL Businesses:

The Commonwealth of Pennsylvania, as part of its commitment to improving the participation of small and diverse businesses in state government contracting and the overall economy, is asking for your participation in the PA DGS Small and Small Diverse and Veteran Business Program. We welcome all small business entities that meet Department of General Services (DGS) criteria to consider this upcoming new opportunity in **construction management**. Participation is not restricted to businesses incorporated or residing in Pennsylvania. Specifically, DGS Capital Programs has issued a Small Business Reserve Invitation to Qualify solicitation for the future procurement of “Construction Management Services”. The solicitation advertisement can be found on eMarketplace or by following this link [PA - eMarketplace \(state.pa.us\)](#)

Vendors must be registered with DGS as a Small Business (SB) in order to participate in this procurement opportunity. To start the registration process Click on the “Self-certify My Small Business” at the following site [Small Diverse Business Program | Department of General Services | Commonwealth of Pennsylvania](#).

In person meetings and a webinar to discuss the opportunity will be held at the following dates and times:
