The parties hereby agree not to contest the validity or enforceability of the Contract executed electronically, or acknowledgement issued electronically, under the provisions of a statute of frauds or any other applicable law relating to whether certain agreements be in writing and signed by the party bound thereby. Any genuine Contract or acknowledgement executed or issued electronically, if introduced as evidence on paper in any judicial, arbitration, mediation, or administrative proceedings, will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form. Neither party shall contest the admissibility of copies of a genuine Contract or acknowledgements under either the business records exception to the hearsay rule or the best evidence rule on the basis that the Contract or acknowledgement were not in writing or signed by the parties. A Contract or acknowledgment shall be deemed to be genuine for all purposes if it is transmitted to the location designated for such documents.

- (c) Verification. Each party will immediately take steps to verify any document that appears to be obviously garbled in transmission or improperly formatted to include re-transmission of any such document if necessary.

6. PURCHASE ORDERS.

- (a) Purchase Orders. The Commonwealth may issue Purchase Orders against the Contract or issue a Purchase Order as the Contract. These Purchase Orders constitute the Contractor's authority to make delivery. All Purchase Orders received by the Contractor up to, and including, the Expiration Date of the Contract are acceptable and must be performed in accordance with the Contract. Each Purchase Order will be deemed to incorporate the terms and conditions set forth in the Contract.
- (b) Electronic transmission. Purchase Orders may be issued electronically or through facsimile equipment. The electronic transmission of a Purchase Order shall require acknowledgement of receipt of the transmission by the Contractor.

The Contractor agrees to accept payment through the use of a Commonwealth Purchasing card.

7. CONTRACT SCOPE.

The Contractor agrees to furnish the requested Services and Supplies to the Commonwealth as such Services and Supplies are defined in this Contract.

8. ACCESS TO COMMONWEALTH FACILITIES.

If the Contractor must perform work at a Commonwealth facility outside of the daily operational hours set forth by the Commonwealth, it must make arrangements with the Commonwealth to assure access to the facility and equipment. No additional payment will be made on the basis of lack of access.

9. NON-EXCLUSIVE CONTRACT.

The Commonwealth reserves the right to purchase Services and Supplies within the scope of this Contract through other procurement methods whenever the Commonwealth deems it to be in its best interest.

10. INFORMATION TECHNOLOGY POLICIES.

- (a) General. The Contractor shall comply with the IT standards and policies issued by the Governor's Office of Administration, Office for Information Technology (located at <https://www.oa.pa.gov/Policies/Pages/itp.aspx>), including the accessibility standards set out in IT Policy ACC001, Accessibility Policy. The Contractor shall ensure that Services and Supplies procured under the Contract comply with the applicable standards. In the event such standards change during the Contractor's performance, and the Commonwealth requests that the Contractor comply with the changed standard, then any incremental costs incurred by the Contractor to comply with such changes shall be paid for pursuant to a change order to the Contract.
- (b) Waiver. The Contractor may request a waiver from an Information Technology Policy (ITP) by providing detailed written justification as to why the ITP cannot be met. The Commonwealth may waive the ITP in whole, in part or conditionally, or require that the Contractor provide an acceptable alternative. Any Commonwealth waiver of the requirement must be in writing.

11. ORDER OF PRECEDENCE.

If any conflicts or discrepancies should arise in the terms and conditions of this Contract, or the interpretation thereof, the order of precedence shall be:

- (a) The documents containing the parties' signatures;
- (b) The IT Contract Terms and Conditions;
- (c) The Solicitation; and
- (d) The Proposal.

12. CONTRACT INTEGRATION.

- (a) Final contract. This Contract constitutes the final, complete, and exclusive Contract between the parties, containing all the terms and conditions agreed to by the parties.
- (b) Prior representations. All representations, understandings, promises, and agreements pertaining to the subject matter of this Contract made prior to or at the time this Contract is executed are superseded by this Contract.

- (c) Conditions precedent. There are no conditions precedent to the performance of this Contract except as expressly set forth herein.
- (d) Sole applicable terms. No contract terms or conditions are applicable to this Contract except as they are expressly set forth herein.
- (e) Other terms unenforceable. The Contractor may not require the Commonwealth or any user of the Services or Supplies acquired within the scope of this Contract to sign, click through, or in any other way agree to any terms associated with use of or interaction with those Services and/or Supplies, unless the Commonwealth has approved the terms in writing in advance under this Contract, and the terms are consistent with this Contract. Further, changes to terms may be accomplished only by processes set out in this Contract; no quotations, invoices, business forms or other documentation, or terms referred to therein, shall become part of this Contract merely by their submission to the Commonwealth or their ordinary use in meeting the requirements of this Contract. Any terms imposed upon the Commonwealth or a user in contravention of this subsection (e) must be removed at the direction of the Commonwealth and shall not be enforced or enforceable against the Commonwealth or the user.

13. PERIOD OF PERFORMANCE.

The Contractor, for the term of this Contract, shall complete all Services and provide all Supplies as specified under the terms of this Contract. In no event shall the Commonwealth be responsible or liable to pay for any Services or Supplies provided by the Contractor prior to the Effective Date, and the Contractor hereby waives any claim or cause of action for any such Services or Supplies.

14. INDEPENDENT PRIME CONTRACTOR.

- (a) Independent contractor. In performing its obligations under the Contract, the Contractor will act as an independent contractor and not as an employee or agent of the Commonwealth.
- (b) Sole point of contact. The Contractor will be responsible for all Services and Supplies in this Contract whether or not Contractor provides them directly. Further, the Contractor is the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the Contract.

15. SUBCONTRACTS.

The Contractor may subcontract any portion of the Services or Supplies described in this Contract to third parties selected by Contractor and approved in writing by the Commonwealth, whose approval shall not be unreasonably withheld. Notwithstanding the above, if Contractor has disclosed the identity of subcontractor(s) together with the scope

of work to be subcontracted in its Proposal, award of the Contract is deemed approval of all named subcontractors and a separate approval is not required. The existence of any subcontract shall not change the obligations of Contractor to the Commonwealth under this Contract. Upon request of the Commonwealth, the Contractor must provide the Commonwealth with an un-redacted copy of the subcontract agreement between the Contractor and the subcontractor. The Commonwealth reserves the right, for good cause, to require that the Contractor remove a subcontractor from the project. The Commonwealth will not be responsible for any costs incurred by the Contractor in replacing the subcontractor if good cause exists.

16. OTHER CONTRACTORS.

The Commonwealth may undertake or award other contracts for additional or related work, and the Contractor shall fully cooperate with other contractors and Commonwealth employees and coordinate its Services and/or its provision of Supplies with such additional work as may be required. The Contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or by Commonwealth employees. This section shall be included in the Contracts of all contractors with which this Contractor will be required to cooperate. The Commonwealth shall equitably enforce this section as to all contractors to prevent the imposition of unreasonable burdens on any contractor.

17. ENHANCED MINIMUM WAGE.

- (a) Enhanced Minimum Wage. Contractor shall pay no less than \$15.00 per hour to its employees for all hours worked directly performing the services called for in this contract/lease, and for an employee's hours performing ancillary services necessary for the performance of the services or lease when the employee spends at least 20% of their time performing ancillary services in a given work week.
- (b) Adjustment. Beginning July 1, 2023, and annually thereafter, the minimum wage rate will be increased by an annual cost-of-living adjustment using the percentage change in the Consumer Price Index for All Urban Consumers (CPI-U) for Pennsylvania, New Jersey, Delaware, and Maryland. The Commonwealth will publish applicable adjusted amount in the Pennsylvania Bulletin by March 1 of each year to be effective the following July 1.
- (c) Exceptions. These Enhanced Minimum Wage Provisions do not apply to employees
 - (i) Exempt from minimum wage under the Minimum Wage Act of 1968;
 - (ii) covered by a collective bargaining agreement;

- (iii) required to be paid a higher wage under another state or federal law governing the services, including the Prevailing Wage Act and Davis-Bacon Act; or
- (iv) required to be paid a higher wage under any state or local policy or ordinance.
- (d) Notice. The Contractor shall: (1) post this Enhanced Minimum Wage Provision for the entire period of the contract conspicuously in easily-accessible and well-lighted places customarily frequented by employees at or near where the contracted services are performed; or (2) for the entire period of the contract, provide electronic notice of this clause to its employees not less than annually.
- (e) Records. Contractor must maintain and, upon request and within the time periods requested by the Commonwealth, provide to the Commonwealth all employment and wage records necessary to document compliance with these Enhanced Minimum Wage Provisions.
- (f) Sanctions. Contractor's failure to comply with these Enhanced Minimum Wage Provisions may result in the imposition of sanctions, which may include, but are not limited to, termination of the contract or lease, nonpayment, debarment, or referral to the Office of General Counsel for appropriate civil or criminal referral.
- (g) Subcontractors. The Contractor shall include these Enhanced Minimum Wage Provisions in its subcontracts under this contract or lease to ensure that these provisions are binding on its subcontractors.

18. COMPENSATION.

- (a) General. The Contractor shall be required to perform at the price(s) quoted in the Contract. All items shall be performed within the time period(s) specified in the Contract. The Contractor shall be compensated only for items supplied and Services performed to the satisfaction of the Commonwealth.
- (b) Travel. The Contractor shall not be allowed or paid travel or per diem expenses except as specifically set forth in the Contract. If not otherwise specified in the Contract, travel and related expenses shall be reimbursed in accordance with [Management Directive 230.10 Amended](#), *Commonwealth Travel Policy*, and [Manual 230.1](#), *Commonwealth Travel Procedures Manual*.

19. BILLING REQUIREMENTS.

- (a) Unless the Contractor has been authorized by the Commonwealth for Evaluated Receipt Settlement or Vendor Self-Invoicing, the Contractor shall include in all of its invoices the following minimum information:

- (i) Vendor name and “Remit to” address, including SAP Vendor number;
 - (ii) Bank routing information, if ACH;
 - (iii) SAP Purchase Order number;
 - (iv) Delivery Address, including name of Commonwealth agency;
 - (v) Description of the supplies/services delivered in accordance with SAP Purchase Order (include Purchase Order line number if possible);
 - (vi) Quantity provided;
 - (vii) Unit price;
 - (viii) Price extension;
 - (ix) Total price; and
 - (x) Delivery date of supplies or services.
- (b) If an invoice does not contain the minimum information set forth in this section, and comply with the provisions located at <https://www.budget.pa.gov/Programs/Pages/E-Invoicing.aspx>, relating to the Commonwealth E-Invoicing Program, the Commonwealth may return the invoice as improper. If the Commonwealth returns an invoice as improper, the time for processing a payment will be suspended until the Commonwealth receives a correct invoice. The Contractor may not receive payment until the Commonwealth has received a correct invoice.

20. PAYMENT.

- (a) Payment Date. The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is:
- (i) the date on which payment is due under the terms of the Contract;
 - (ii) **thirty (30) days** after a proper invoice actually is received at the “Bill To” address if a date on which payment is due is not specified in the Contract (a “proper” invoice is not received until the Commonwealth accepts the service as satisfactorily performed); or
 - (iii) the payment date specified on the invoice if later than the dates established by [paragraphs \(a\)\(i\) and \(a\)\(ii\)](#), above.

- (b) Delay; Interest. Payment may be delayed if the payment amount on an invoice is not based upon the price(s) as stated in the Contract. If any payment is not made within **15 days** after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with Act of December 13, 1982, P.L. 1155, No. 266, 72 P. S. § 1507, (relating to interest penalties on Commonwealth accounts) and accompanying regulations 4 Pa. Code §§ 2.31—2.40 (relating to interest penalties for late payments to qualified small business concerns).
- (c) Payment should not be construed by the Contractor as acceptance of the Service performed by the Contractor. The Commonwealth reserves the right to conduct further testing and inspection after payment, but within a reasonable time after performance, and to reject the service if such post payment testing or inspection discloses a defect or a failure to meet specifications.

21. AUTOMATED CLEARING HOUSE (ACH) PAYMENTS.

- (a) Payment Method. The Commonwealth shall make contract payments through the Automated Clearing House (ACH). Within 10 days of award of the contract or purchase order, the Contractor must submit or must have submitted its ACH information within its user profile in the Commonwealth's procurement system (SRM).
- (b) Unique Identifier. The Contractor must submit a unique invoice number with each invoice submitted. The Commonwealth shall list the Contractor's unique invoice number on its ACH remittance advice to enable the Contractor to properly apply the state agency's payment to the invoice submitted.
- (c) ACH Information in SRM. The Contractor shall ensure that the ACH information contained in SRM is accurate and complete. The Contractor's failure to maintain accurate and complete information may result in delays in payments.

22. ASSIGNABILITY.

- (a) Subject to the terms and conditions of this section the Contract is binding upon the parties and their respective successors and assigns.
- (b) The Contractor may not assign, in whole or in part, the Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Commonwealth, which consent may be withheld at the sole and absolute discretion of the Commonwealth.
- (c) For the purposes of the Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, encumbrance, pledge, or other transfer of any ownership interest in the Contractor provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.

- (d) Any assignment consented to by the Commonwealth shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Contract and to assume the duties, obligations, and responsibilities being assigned.
- (e) Notwithstanding the foregoing, the Contractor may, without the consent of the Commonwealth, assign its rights to payment to be received under the Contract, provided that the Contractor provides written notice of such assignment to the Commonwealth together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of the Contract.
- (f) A change of name by the Contractor, following which the Contractor's federal identification number remains unchanged, is not considered to be an assignment. The Contractor shall give the Commonwealth written notice of any such change of name.

23. INSPECTION AND ACCEPTANCE.

- (a) Developed Works and Services.
 - (i) *Acceptance.* Acceptance of any Developed Work or Service will occur in accordance with an acceptance plan (Acceptance Plan) submitted by the Contractor and approved by the Commonwealth. Upon approval of the Acceptance Plan by the Commonwealth, the Acceptance Plan becomes part of this Contract.
 - (ii) *Software Acceptance Test Plan.* For contracts where the development of Software, the configuration of Software or the modification of Software is being inspected and accepted, the Acceptance Plan must include a Software Acceptance Test Plan. The Software Acceptance Test Plan will provide for a final acceptance test, and may provide for interim acceptance tests. Each acceptance test will be designed to demonstrate that the Software conforms to the functional specifications, if any, and the requirements of this Contract. The Contractor shall notify the Commonwealth when the Software is completed and ready for acceptance testing. The Commonwealth will not unreasonably delay commencement of acceptance testing.
 - (iii) If software integration is required at the end of the project, as set out in the Solicitation, the Commonwealth's acceptance of the Software shall be final unless at the time of final acceptance, the Software does not meet the acceptance criteria set forth in the Contract.

- (iv) If software integration is not required at the end of the project, as set out in the Solicitation, the Commonwealth's acceptance of the Software shall be complete and final.
- (v) *Certification of Completion.* The Contractor shall certify, in writing, to the Commonwealth when an item in the Acceptance Plan is completed and ready for acceptance. Unless otherwise agreed to by the Commonwealth in the Acceptance Plan, the acceptance period shall be **10 business days** for interim items and **30 business days** for final items. Following receipt of the Contractor's certification of completion of an item, the Commonwealth shall, either:
 - (1) Provide the Contractor with Commonwealth's written acceptance of the work product; or
 - (2) Identify to the Contractor, in writing, the failure of the work product to comply with the specifications, listing all such errors and omissions with reasonable detail.
- (vi) *Deemed Acceptance.* If the Commonwealth fails to notify the Contractor in writing of any failures in the work product within the applicable acceptance period, the work product shall be deemed accepted.
- (vii) *Correction upon Rejection.* Upon the Contractor's receipt of the Commonwealth's written notice of rejection, which must identify the reasons for the failure of the work product to comply with the specifications, the Contractor shall have **15 business days**, or such other time as the Commonwealth and the Contractor may agree is reasonable, within which to correct all such failures, and resubmit the corrected item, certifying to the Commonwealth, in writing, that the failures have been corrected, and that the items have been brought into compliance with the specifications. Upon receipt of such corrected and resubmitted items and certification, the Commonwealth shall have **30 business days** to test the corrected items to confirm that they are in compliance with the specifications. If the corrected items are in compliance with the specifications, then the Commonwealth shall provide the Contractor with its acceptance of the items in the completed milestone.
- (viii) *Options upon Continued Failure.* If, in the opinion of the Commonwealth, the corrected items still contain material failures, the Commonwealth may either:
 - (1) Repeat the procedure set forth above; or

- (2) Proceed with its rights under **Section 28, Termination**, except that the cure period set forth in **Subsection 28(c)** may be exercised in the Commonwealth's sole discretion.
- (b) Supplies.
- (i) *Inspection prior to Acceptance.* No Supplies received by the Commonwealth shall be deemed accepted until the Commonwealth has had a reasonable opportunity to inspect the Supplies.
 - (ii) *Defective Supplies.* Any Supplies discovered to be defective or that fail to conform to the specifications may be rejected upon initial inspection or at any later time if the defects contained in the Supplies or the noncompliance with the specifications were not reasonably ascertainable upon the initial inspection.
 - (1) The Contractor shall remove rejected item(s) from the premises without expense to the Commonwealth within **15 days** after notification.
 - (2) Rejected Supplies left longer than **30 days** will be regarded as abandoned, and the Commonwealth shall have the right to dispose of them as its own property and shall retain that portion of the proceeds of any sale which represents the Commonwealth's costs and expenses in regard to the storage and sale of the Supplies.
 - (3) Upon notice of rejection, the Contractor shall immediately replace all such rejected Supplies with others conforming to the specifications and which are not defective. If the Contractor fails, neglects or refuses to do so, the Commonwealth may procure, in such manner as it determines, supplies similar or identical to the those that Contractor failed, neglected or refused to replace, and deduct from any monies due or that may thereafter become due to the Contractor, the difference between the price stated in the Contract and the cost thereof to the Commonwealth.

24. DEFAULT.

The Commonwealth may, subject to the provisions of **Section 25, Notice of Delays**, and **Section 66, Force Majeure**, and in addition to its other rights under the Contract, declare the Contractor in default by written notice thereof to the Contractor, and terminate (as provided in **Section 28, Termination**) the whole or any part of this Contract for any of the following reasons:

- (i) Failure to begin Services within the time specified in the Contract or as otherwise specified;

- (ii) Failure to perform the Services with sufficient labor, equipment, or material to insure the completion of the specified Services in accordance with the Contract terms;
- (iii) Unsatisfactory performance of the Services;
- (iv) Failure to meet requirements within the time periods(s) specified in the Contract;
- (v) Multiple failures over time of a single service level agreement or a pattern of failure over time of multiple service level agreements;
- (vi) Failure to provide a Supply or Service that conforms with the specifications referenced in the Contract;
- (vii) Failure or refusal to remove material, or remove, replace or correct any Supply rejected as defective or noncompliant;
- (viii) Discontinuance of Services without approval;
- (ix) Failure to resume a Service, which has been discontinued, within a reasonable time after notice to do so;
- (x) Insolvency;
- (xi) Assignment made for the benefit of creditors;
- (xii) Failure or refusal, within **10 days** after written notice by the Contracting Officer, to make payment or show cause why payment should not be made, of any amounts due subcontractors for materials furnished, labor supplied or performed, for equipment rentals or for utility services rendered;
- (xiii) Failure to protect, repair or make good any damage or injury to property;
- (xiv) Breach of any provision of this Contract;
- (xv) Any breach by Contractor of the security standards or procedures of this Contract;
- (xvi) Failure to comply with representations made in the Contractor's Proposal;
or
- (xvii) Failure to comply with applicable industry standards, customs and practice.

25. NOTICE OF DELAYS.

Whenever the Contractor encounters any difficulty that delays or threatens to delay the timely performance of this Contract (including actual or potential labor disputes), the Contractor shall promptly give notice thereof in writing to the Commonwealth stating all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery schedule or be construed as a waiver by the Commonwealth of any rights or remedies to which it is entitled by law or pursuant to provisions of this Contract. Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery schedule because of such delay. If an extension of the delivery schedule is granted, it will be done consistent with [Section 27, Changes](#).

26. CONDUCT OF SERVICES.

- (a) Following the Effective Date of the Contract, Contractor shall proceed diligently with all Services and shall perform such Services with qualified personnel, in accordance with the completion criteria set forth in the Contract.
- (b) In determining whether the Contractor has performed with due diligence under the Contract, it is agreed and understood that the Commonwealth may measure the amount and quality of the Contractor's effort against the representations made in the Contractor's Proposal. The Contractor's Services hereunder shall be monitored by the Commonwealth and the Commonwealth's designated representatives. If the Commonwealth reasonably determines that the Contractor has not performed with due diligence, the Commonwealth and the Contractor will attempt to reach agreement with respect to such matter. Failure of the Commonwealth or the Contractor to arrive at such mutual determinations shall be a dispute concerning a question of fact within the meaning of [Section 30, Contract Controversies](#).

27. CHANGES.

- (a) At any time during the performance of the Contract, the Commonwealth or the Contractor may request a change to the Contract. Contractor will make reasonable efforts to investigate the impact of the change request on the price, timetable, specifications, and other terms and conditions of the Contract. If the Commonwealth is the requestor of the change, the Contractor will inform the Commonwealth of any charges for investigating the change request prior to incurring such charges. If the Commonwealth and the Contractor agree on the results of the investigation and any necessary changes to the Contract, the parties must complete and execute a change order to modify the Contract and implement the change. The change order will be evidenced by a writing in accordance with the Commonwealth's change order procedures. No work may begin on the change order until the Contractor has received the executed change order. If the parties are not able to agree upon the results of the investigation or the necessary changes to the Contract, a Commonwealth-initiated change request will be implemented at

Commonwealth's option and the Contractor shall perform the Services; and either party may elect to have the matter treated as a dispute between the parties under **Section 30, Contract Controversies**. During the pendency of any such dispute, Commonwealth shall pay to Contractor any undisputed amounts.

- (b) Changes outside the scope of this Contract shall be accomplished through the Commonwealth's procurement procedures, and may result in an amended Contract or a new contract. No payment will be made for services outside of the scope of the Contract for which no amendment has been executed.

28. TERMINATION.

- (a) For Convenience.

- (i) The Commonwealth may terminate the Contract, or a Purchase Order issued against the Contract, in whole or in part, without cause by giving Contractor **30 days'** prior written notice (Notice of Termination) whenever the Commonwealth shall determine that such termination is in the best interest of the Commonwealth (Termination for Convenience). Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance under this Contract is terminated either in whole or in part and the date on which such termination becomes effective.

In the event of termination hereunder, Contractor shall receive payment for the following:

- (1) all Services performed consistent with the terms of the Contract prior to the effective date of termination;
- (2) all actual and reasonable costs incurred by Contractor as a result of the termination of the Contract; and

In no event shall the Contractor be paid for any loss of anticipated profit (by the Contractor or any subcontractor), loss of use of money, or administrative or overhead costs.

Failure to agree on any termination costs shall be a dispute handled in accordance with **Section 30, Contract Controversies**, of this Contract.

- (ii) The Contractor shall cease Services as of the date set forth in the Notice of Termination, and shall be paid only for such Services as have already been satisfactorily rendered up to and including the termination date set forth in said notice, or as may be otherwise provided for in said Notice of Termination, and for such Services performed during the **30-day** notice period, if such Services are requested by the Commonwealth, for the

collection, assembling, and transmitting to the Commonwealth of at least all materials, manuals, magnetic media, studies, drawings, computations, maps, supplies, and survey notes including field books, which were obtained, prepared, or developed as part of the Services required under this Contract.

- (iii) The above shall not be deemed to limit the Commonwealth's right to terminate this Contract for any reason as permitted by the other provisions of this Contract, or under applicable law.

- (b) Non-Appropriation. Any payment obligation or portion thereof of the Commonwealth created by this Contract is conditioned upon the availability and appropriation of funds. When funds (state or federal) are not appropriated or otherwise made available to support continuation of performance or full performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the Contract in whole or in part. The Contractor shall be reimbursed in the same manner as that described in [subsection \(a\)](#) to the extent that appropriated funds are available.

- (c) Default. The Commonwealth may, in addition to its other rights under this Contract, terminate this Contract in whole or in part by providing written notice of default to the Contractor if the Contractor materially fails to perform its obligations under the Contract and does not cure such failure within **30 days**, or if a cure within such period is not practical, commence a good faith effort to cure such failure to perform within the specified period or such longer period as the Commonwealth may specify in the written notice specifying such failure, and diligently and continuously proceed to complete the cure. The Contracting Officer shall provide any notice of default or written cure notice for Contract terminations.
 - (i) Subject to [Section 38, Limitation of Liability](#), in the event the Commonwealth terminates this Contract in whole or in part as provided in this subsection (c), the Commonwealth may procure services similar to those so terminated, and the Contractor, in addition to liability for any liquidated damages, shall be liable to the Commonwealth for the difference between the Contract price for the terminated portion of the Services and the actual and reasonable cost (but in no event greater than the fair market value) of producing substitute equivalent services for the terminated Services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this section.

 - (ii) Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises out of causes beyond the control of the Contractor. Such causes may include, but are not limited to, acts of God or of the public enemy, fires, floods, epidemics, quarantine restrictions, strikes, work stoppages, freight embargoes, acts of terrorism and unusually severe weather. The Contractor

shall notify the Contracting Officer promptly in writing of its inability to perform because of a cause beyond the control of the Contractor.

- (iii) Nothing in this subsection (c) shall abridge the Commonwealth's right to suspend, debar or take other administrative action against the Contractor.
- (iv) If it is later determined that the Commonwealth erred in terminating the Contract for default, then the Contract shall be deemed to have been terminated for convenience under [subsection \(a\)](#).
- (v) If this Contract is terminated as provided by this subsection (c), the Commonwealth may, in addition to any other rights provided in this subsection (c), and subject law and to other applicable provisions of this Contract, require the Contractor to deliver to the Commonwealth in the manner and to the extent directed by the Contracting Officer, such Software, Data, Developed Works, Documentation and other materials as the Contractor has specifically produced or specifically acquired for the performance of such part of the Contract as has been terminated.
- (d) The rights and remedies of the Commonwealth provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- (e) The Commonwealth's failure to exercise any rights or remedies provided in this section shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.
- (f) Following exhaustion of the Contractor's administrative remedies as set forth in [Section 30, Contract Controversies](#), the Contractor's exclusive remedy shall be to seek damages in the Board of Claims.

29. BACKGROUND CHECKS.

- (a) The Contractor, at its expense, must arrange for a background check for each of its employees, as well as the employees of any of its subcontractors, who will have access to Commonwealth Data or Commonwealth facilities (including leased facilities or facilities owned by third parties but utilized by the Commonwealth), either through on-site access or through remote access. Background checks shall be conducted via the Request for Criminal Record Check for in-state Contractor employees or via a criminal background check through the appropriate State Agency for the out of state Contractor employees. The background check shall be conducted prior to initial access by the Contractor employee and annually thereafter.
- (b) Before the Commonwealth permits access to the Contractor, the Contractor must provide written confirmation that the background checks have been conducted. If,

at any time, it is discovered that an employee of the Contractor or an employee of a subcontractor of the Contractor has a criminal record that includes a felony or misdemeanor involving terroristic behavior, violence, use of a lethal weapon, or breach of trust/fiduciary responsibility or which raises concerns about building, system or personal security or is otherwise job-related, the Contractor shall not assign that employee to any Commonwealth facilities, shall remove any access privileges already given to the employee and shall not permit that employee remote access unless the Commonwealth consents to the access, in writing, prior to the access. The Commonwealth may withhold its consent in its sole discretion. Failure of the Contractor to comply with the terms of this section on more than one occasion or Contractor's failure to cure any single failure to the satisfaction of the Commonwealth may result in the Contractor being deemed in default of its Contract.

- (c) The Commonwealth specifically reserves the right of the Commonwealth to conduct or require background checks over and above that described herein.

30. CONTRACT CONTROVERSIES.

- (a) Pursuant to Section 1712.1 of the *Commonwealth Procurement Code*, 62 Pa. C.S. § 1712.1, in the event of a claim arising from the Contract or a purchase order, the Contractor, within **six (6) months** after the cause of action accrues, must file a written claim with the Contracting Officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum. At the time the claim is filed, or within **60 days** thereafter, either party may request mediation through the Commonwealth Office of General Counsel Dispute Resolution Program, <https://www.ogc.pa.gov/Services%20to%20Agencies/Mediation%20Procedures/Pages/default.aspx>.
- (b) If the Contractor or the Contracting Officer requests mediation, and the other party agrees, the Contracting Officer shall promptly make arrangements for mediation. Mediation shall be scheduled so as to not delay the issuance of the final determination beyond the required **120 days** after receipt of the claim if mediation is unsuccessful. If mediation is not agreed to or if resolution is not reached through mediation, the Contracting Officer shall review timely-filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within **120 days** of the receipt of the claim, unless extended by consent of the Contracting Officer and the Contractor. The Contracting Officer shall send his/her written determination to the Contractor. If the Contracting Officer fails to issue a final determination within the **120 days** (unless extended by consent of the parties), the claim shall be deemed denied. The Contracting Officer's determination shall be the final order of the purchasing agency.

- (c) Within **15 days** of the mailing date of the determination denying a claim or within **135 days** of filing a claim if, no extension is agreed to by the parties, whichever occurs first, the Contractor may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Contract or Purchase Order in a manner consistent with the determination of the contracting officer and the Commonwealth shall compensate the Contractor pursuant to the terms of the Contract or Purchase Order.

31. CONFIDENTIALITY, PRIVACY AND COMPLIANCE.

- (a) General. The Contractor agrees to protect the confidentiality of the Commonwealth's confidential information. The Commonwealth agrees to protect the confidentiality of Contractor's confidential information. Unless the context otherwise clearly indicates the need for confidentiality, information is deemed confidential only when the party claiming confidentiality designates the information as "confidential" in such a way as to give notice to the other party (for example, notice may be communicated by describing the information, and the specifications around its use or disclosure, in the Solicitation or in the Proposal). Neither party may assert that information owned by the other party is such party's confidential information. Notwithstanding the foregoing, all Data provided by, or collected, processed, or created on behalf of the Commonwealth is Confidential Information unless otherwise indicated in writing.
- (b) Copying; Disclosure; Termination. The parties agree that confidential information shall not be copied, in whole or in part, or used or disclosed except when essential for authorized activities under this Contract and, in the case of disclosure, where the recipient of the confidential information has agreed to be bound by confidentiality requirements no less restrictive than those set forth herein. Each copy of confidential information shall be marked by the party making the copy with any notices appearing in the original. Upon expiration or termination of this Contract or any license granted hereunder, the receiving party will return to the disclosing party, or certify as to the destruction of, all confidential information in the receiving party's possession, other than one copy (where permitted by law or regulation), which may be maintained for archival purposes only, and which will remain subject to this Contract's security, privacy, data retention/destruction and confidentiality provisions. A material breach of these requirements may result in termination for default pursuant to **Subsection 28(c)**, in addition to other remedies available to the non-breaching party.
- (c) Insofar as information is not otherwise protected by law or regulation, the obligations stated in this section do not apply to information:
 - (i) already known to the recipient at the time of disclosure other than through the contractual relationship;

- (ii) independently generated by the recipient and not derived from the information supplied by the disclosing party;
- (iii) known or available to the public, except where such knowledge or availability is the result of unauthorized disclosure by the recipient of the proprietary information;
- (iv) disclosed to the recipient without a similar restriction by a third party who has the right to make such disclosure; or
- (v) required to be disclosed by the recipient by law, regulation, court order, or other legal process.

There shall be no restriction with respect to the use or disclosure of any ideas, concepts, know-how or data processing techniques developed alone or jointly with the Commonwealth in connection with services provided to the Commonwealth under this Contract.

- (d) The Contractor shall use the following process when submitting information to the Commonwealth it believes to be confidential and/or proprietary information or trade secrets:
 - (i) Prepare and submit an un-redacted version of the appropriate document;
 - (ii) Prepare and submit a redacted version of the document that redacts the information that is asserted to be confidential or proprietary information or a trade secret. The Contractor shall use a redaction program that ensures the information is permanently and irreversibly redacted; and
 - (iii) Prepare and submit a signed written statement that identifies confidential or proprietary information or trade secrets and that states:
 - (1) the attached material contains confidential or proprietary information or trade secrets;
 - (2) the Contractor is submitting the material in both redacted and un-redacted format, if possible, in accordance with 65 P.S. § 67.707(b); and
 - (3) the Contractor is requesting that the material be considered exempt under 65 P.S. § 67.708(b)(11) from public records requests.
- (e) Disclosure of Recipient or Beneficiary Information Prohibited. The Contractor shall not use or disclose any information about a recipient receiving services from, or otherwise enrolled in, a Commonwealth program affected by or benefiting from Services under the Contract for any purpose not connected with the Contractor's

- (f) Compliance with Laws. Contractor will comply with all applicable laws or regulations related to the use and disclosure of information, including information that constitutes Protected Health Information (PHI) as defined by the *Health Insurance Portability and Accountability Act* (HIPAA). Grantee shall comply with **Exhibit A, Commonwealth of Pennsylvania Business Associate Agreement.**
- (g) Additional Provisions. Additional privacy and confidentiality requirements may be specified in the Contract.
- (h) Restrictions on Use. All Data and all intellectual property provided to the Contractor pursuant to this Contract or collected or generated by the Contractor on behalf of the Commonwealth pursuant to this Contract shall be used only for the work of this Contract. No Data, intellectual property, Documentation or Developed Works may be used, disclosed, or otherwise opened for access by or to the Contractor or any third party unless directly related to and necessary under the Contract.

32. PCI SECURITY COMPLIANCE.

- (a) General. By providing the Services under this Contract, the Contractor may create, receive, or have access to credit card records or record systems containing cardholder data including credit card numbers (collectively the “Cardholder Data”). Contractor shall comply with the Payment Card Industry Data Security Standard (“PCI DSS”) requirements for Cardholder Data that are prescribed by the payment brands (including, but not limited to, Visa, MasterCard, American Express, and Discover), as they may be amended from time to time. The Contractor acknowledges and agrees that Cardholder Data may only be used for assisting in completing a card transaction, for fraud control services, for loyalty programs, or as specifically agreed to by the payment brands, for purposes of this Contract or as required by applicable law or regulations.
- (b) Compliance with Standards. The Contractor shall conform to and comply with the PCI DSS standards as defined by The PCI Security Standards Council at: https://www.pcisecuritystandards.org/security_standards/index.php. The Contractor shall monitor these PCI DSS standards and will promptly notify the Commonwealth if its practices should not conform to such standards. Further, to the extent the Contractor maintains, stores, or manages computerized data on behalf of the Commonwealth that constitutes personal information, as defined in the *Breach of Personal Information Notification Act*, the Contractor shall comply with the then current version of the following IT Policies (ITPs): *ITP-SEC019, Policy and Procedures for Protecting Commonwealth Electronic Data*; *ITP-SEC024, IT Security Incident Reporting Policy*; *ITP-SEC025, Proper Use and Disclosure of Personally Identifiable Information (PII)*; and *ITP-SEC031, Encryption Standards*.
- (b) For Data and Confidential Information in the possession, custody, and control of the Contractor or its employees, agents, and/or subcontractors:
 - (i) The Contractor shall report unauthorized access, use, release, loss, destruction or disclosure of Data or Confidential Information (“Incident”) to the Commonwealth within **one (1) hour** of when the Contractor knows of or reasonably suspects such Incident, and the Contractor must immediately take all reasonable steps to mitigate any potential harm or further access, use, release, loss, destruction or disclosure of such Data or Confidential Information.
 - (ii) The Contractor shall provide timely notice to all individuals that may require notice under any applicable law or regulation as a result of an Incident. The notice must be pre-approved by the Commonwealth. At the Commonwealth’s request, Contractor shall, at its sole expense, provide credit monitoring services to all individuals that may be impacted by any Incident requiring notice.
 - (iii) The Contractor shall be solely responsible for any costs, losses, fines, or damages incurred by the Commonwealth due to Incidents.
- (c) As to Data and Confidential Information fully or partially in the possession, custody, or control of the Contractor and the Commonwealth, the Contractor shall diligently perform all of the duties required in this section in cooperation with the Commonwealth, until the time at which a determination of responsibility for the Incident, and for subsequent action regarding the Incident, is made final.

- (i) Workers' Compensation Insurance for all of the Contractor's employees and those of any subcontractor engaged in performing Services in accordance with the *Workers' Compensation Act*, Act of June 2, 1915, P.L. 736, No. 338, reenacted and amended June 21, 1939, P.L. 520, No. 281, as amended, 77 P.S. §§ 1—2708.
- (ii) Commercial general liability insurance providing coverage from claims for damages for personal injury, death and property of others, including loss of use resulting from any property damage which may arise from its operations under this Contract, whether such operation be by the Contractor, by any agent, contractor or subcontractor, or by anyone directly or indirectly employed by either. The limits of such insurance shall be in an amount not less than **\$500,000** per person and **\$2,000,000** per occurrence, personal injury and property damage combined. Such policies shall be occurrence based rather than claims-made policies and shall name the Commonwealth of Pennsylvania as an additional insured, as its interests may appear. The insurance shall not contain any endorsements or any other form designed to limit and restrict any action by the Commonwealth as an additional insured against the insurance coverages in regard to the Services performed for or Supplies provided to the Commonwealth.
- (iii) Professional and Technology-Based Services Liability Insurance (insuring against damages and claim expenses as a result of claims arising from any actual or alleged wrongful acts in performing cyber and technology activities) in the amount of **\$2,000,000**, per accident/occurrence/annual aggregate.

- (b) Certificate of Insurance. Prior to commencing Services under the Contract, and annually thereafter, the Contractor shall provide the Commonwealth with a copy of each current certificate of insurance required by this section. These certificates shall contain a provision that coverages afforded under the policies will not be canceled or changed in such a way to cause the coverage to fail to comply with the requirements of this section until at least **15 days'** prior written notice has been given to the Commonwealth. Such cancellation or change shall not relieve the Contractor of its continuing obligation to maintain insurance coverage in accordance with this section.
- (c) Insurance coverage length. The Contractor agrees to maintain such insurance for the latter of the life of the Contract, or the life of any Purchase Orders issued under the Contract.

35. CONTRACTOR RESPONSIBILITY.

- (a) Definition. For the purpose of these provisions, the term “Contractor” means as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee or lessor, who has furnished or performed or seeks to furnish or perform, goods, supplies, services, leased space, construction or other activity, under a contract, grant, lease, purchase order or reimbursement agreement with the Commonwealth. The term also includes a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other public entity in the Commonwealth.
- (b) Contractor Representations.
 - (i) The Contractor represents for itself and its subcontractors required to be disclosed or approved by the Commonwealth, that as of the date of its execution of this contract, that neither the Contractor, nor any such subcontractors, are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot make this representation, the Contractor shall submit, along with its contract, a written explanation of why such certification cannot be made.
 - (ii) The Contractor represents that as of the date of its execution of this contract it has no tax liabilities or other Commonwealth obligations, or has filed a timely administrative or judicial appeal if such liabilities or obligations exist, or is subject to a duly approved deferred payment plan if such liabilities exist.

- (c) Notification. The Contractor shall notify the Commonwealth if, at any time during the term of this contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or, to the best of its knowledge, any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. The Contractor shall provide this notification within 15 days of the date of suspension or debarment.
- (d) Default. The Contractor's failure to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government constitutes an event of default of the contract with the Commonwealth.
- (e) Reimbursement. The Contractor shall reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this contract or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. These costs include, but are not limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- (f) Suspension and Debarment List. The Contractor may obtain a current list of suspended and debarred Commonwealth contractors by visiting the eMarketplace website at <http://www.emarketplace.state.pa.us> and clicking the Debarment list tab.

36. OFFSET PROVISION FOR COMMONWEALTH CONTRACTS.

The Commonwealth may set off the amount of any state tax liability or other obligation of the Contractor, or its subsidiaries, owed to the Commonwealth against any payments due the Contractor under any contract between the Commonwealth and Contractor.

37. TAXES-FEDERAL, STATE AND LOCAL.

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax-free purchases under registration No. 23-7400001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas-guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania sales tax, local sales tax, public transportation assistance taxes, and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this section is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

38. LIMITATION OF LIABILITY.

- (a) General. The Contractor's liability to the Commonwealth under this Contract shall be limited to the greater of **\$250,000** or the value of this Contract (including any amendments). This limitation will apply, except as otherwise stated in this section, regardless of the form of action, whether in contract or in tort, including negligence. This limitation does not, however, apply to any damages:
- (i) for bodily injury;
 - (ii) for death;
 - (iii) for gross negligence or intentional or willful misconduct;
 - (iv) for damage to real property or tangible personal property for which the Contractor is legally liable;
 - (v) under **Section 42, Patent, Copyright, Trademark and Trade Secret Protection**;
 - (vi) under **Section 33, Data Breach or Loss**; or
 - (vii) under **Section 41, Virus, Malicious, Mischievous or Destructive Programming**.
- (b) The Contractor will not be liable for consequential or incidental damages, except for damages as set forth in **paragraphs (a)(i)—(vii)** above, or as otherwise specified in the Contract.

39. INDEMNIFICATION.

- (a) Contractor Obligations. The Contractor shall indemnify the Commonwealth against all third-party claims, suits, demands, losses, damages, costs, and expenses, including without limitation, litigation expenses, attorneys' fees, and liabilities, arising out of or in connection with any activities performed by the Contractor or its employees and agents that are related to this contract, as determined by the Commonwealth in its sole discretion.
- (b) Commonwealth Attorneys Act. The Commonwealth shall provide the Contractor with prompt notice of any claim or suit of which it learns. Pursuant to the Commonwealth Attorneys Act (71 P.S. Section 732-101, et seq.), the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under any terms as it deems appropriate, delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits.

- (c) Settlement. Notwithstanding the above, neither party may enter into a settlement of any claim or suit without the other party's written consent, which will not be unreasonably withheld. The Commonwealth may, in its sole discretion, allow the Contractor to control the defense and any related settlement negotiations.

40. SOVEREIGN IMMUNITY.

No provision of this Contract may be construed to waive or limit the sovereign immunity of the Commonwealth of Pennsylvania or its governmental sub-units.

41. VIRUS, MALICIOUS, MISCHIEVOUS OR DESTRUCTIVE PROGRAMMING.

- (a) The Contractor shall be liable for any damages incurred by the Commonwealth if the Contractor or any of its employees, subcontractors or consultants introduces a virus or malicious, mischievous or destructive programming into the Commonwealth's software or computer networks and has failed to comply with the Commonwealth software security standards. The Commonwealth must demonstrate that the Contractor or any of its employees, subcontractors or consultants introduced the virus or malicious, mischievous or destructive programming. The Contractor's liability shall cease if the Commonwealth has not fully complied with its own software security standards.
- (b) The Contractor shall be liable for any damages incurred by the Commonwealth including, but not limited to, the expenditure of Commonwealth funds to eliminate or remove a computer virus or malicious, mischievous or destructive programming that results from the Contractor's failure to take proactive measures to keep virus or malicious, mischievous or destructive programming from originating from the Contractor or any of its employees, subcontractors or consultants through appropriate firewalls and maintenance of anti-virus software and software security updates (such as operating systems security patches, etc.).
- (c) In the event of destruction or modification of Software, the Contractor shall eliminate the virus, malicious, mischievous or destructive programming, restore the Commonwealth's software, and be liable to the Commonwealth for any resulting damages.
- (d) The Contractor shall be responsible for reviewing Commonwealth software security standards and complying with those standards.
- (e) The Commonwealth may, at any time, audit, by a means deemed appropriate by the Commonwealth, any computing devices being used by representatives of the Contractor to provide Services to the Commonwealth for the sole purpose of determining whether those devices have anti-virus software with current virus signature files and the current minimum operating system patches or workarounds have been installed. Devices found to be out of compliance will immediately be

disconnected and will not be permitted to connect or reconnect to the Commonwealth network until the proper installations have been made.

- (f) The Contractor may use the anti-virus software used by the Commonwealth to protect Contractor's computing devices used in the course of providing services to the Commonwealth. It is understood that the Contractor may not install the software on any computing device not being used to provide services to the Commonwealth, and that all copies of the software will be removed from all devices upon termination of this Contract.
- (g) The Commonwealth will not be responsible for any damages to the Contractor's computers, data, software, etc. caused as a result of the installation of the Commonwealth's anti-virus software or monitoring software on the Contractor's computers.

42. PATENT, COPYRIGHT, TRADEMARK AND TRADE SECRET PROTECTION.

- (a) The Contractor shall hold the Commonwealth harmless from any suit or proceeding which may be brought by a third party against the Commonwealth, its departments, officers or employees for the alleged infringement of any United States or foreign patents, copyrights, trademarks or trade dress, or for a misappropriation of trade secrets arising out of performance of this Contract, including all work, services, materials, reports, studies, and computer programs provided by the Contractor, and in any such suit or proceeding will satisfy any final award for such infringement, including costs. The Commonwealth agrees to give Contractor prompt notice of any such claim of which it learns. Pursuant to the *Commonwealth Attorneys Act*, Act of October 15, 1980, P.L. 950, No. 164, as amended, 71 P.S. § 732-101—732-506, the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG, however, in its sole discretion and under the terms it deems appropriate, may delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of Contractor made in the defense of such suits. No settlement that prevents the Commonwealth from continuing to use the Developed Works as provided herein shall be made without the Commonwealth's prior written consent. In all events, the Commonwealth shall have the right to participate in the defense of any such suit or proceeding through counsel of its own choosing. It is expressly agreed by the Contractor that, in the event it requests that the Commonwealth provide support to the Contractor in defending any such claim, the Contractor shall reimburse the Commonwealth for all expenses (including attorneys' fees, if such are made necessary by the Contractor's request) incurred by the Commonwealth for such support. If OAG does not delegate the defense of the matter, the Contractor's obligation to indemnify ceases. The Contractor, at its expense, will provide whatever cooperation OAG requests in the defense of the suit.

- (b) The Contractor agrees to exercise reasonable due diligence to prevent claims of infringement on the rights of third parties. The Contractor certifies that, in all respects applicable to this Contract, it has exercised and will continue to exercise due diligence to ensure that all works produced under this Contract do not infringe on the patents, copyrights, trademarks, trade dress, trade secrets or other proprietary interests of any kind which may be held by third parties. The Contractor also agrees to certify that work produced for the Commonwealth under this contract shall be free and clear from all claims of any nature.
- (c) If the defense of the suit is delegated to the Contractor, the Contractor shall pay all damages and costs awarded therein against the Commonwealth. If information and assistance are furnished by the Commonwealth at the Contractor's written request, it shall be at the Contractor's expense, but the responsibility for such expense shall be only that within the Contractor's written authorization.
- (d) If, in the Contractor's opinion, the products, materials, reports, studies, or computer programs furnished hereunder are likely to or do become subject to a claim of infringement of a United States patent, copyright, trademark or trade dress, or for a misappropriation of trade secret, then without diminishing the Contractor's obligation to satisfy any final award, the Contractor may, at its option and expense:
 - (i) substitute functional equivalents for the alleged infringing products, materials, reports, studies, or computer programs; or
 - (ii) obtain the rights for the Commonwealth to continue the use of such products, materials, reports, studies, or computer programs.
- (e) If any of the products, materials, reports, studies, or computer programs provided by the Contractor are in such suit or proceeding held to constitute infringement and the use or publication thereof is enjoined, the Contractor shall, at its own expense and at its option, either procure the right to publish or continue use of such infringing products, materials, reports, studies, or computer programs, replace them with non-infringing items, or modify them so that they are no longer infringing.
- (f) If the Contractor is unable to do any of the preceding, the Contractor agrees to pay the Commonwealth:
 - (i) any amounts paid by the Commonwealth less a reasonable amount based on the acceptance and use of the deliverable;
 - (ii) any license fee less an amount for the period of usage of any software; and
 - (iii) the prorated portion of any service fees representing the time remaining in any period of service for which payment was made.
- (g) Notwithstanding the above, the Contractor shall have no obligation for:

- (i) modification of any product, service, or deliverable provided by the Commonwealth;
 - (ii) any material provided by the Commonwealth to the Contractor and incorporated into, or used to prepare, a product, service, or deliverable;
 - (iii) use of the product, service, or deliverable in other than its specified operating environment;
 - (iv) the combination, operation, or use of the product, service, or deliverable with other products, services, or deliverables not provided by the Contractor as a system or the combination, operation, or use of the product, service, or deliverable, with any products, data, or apparatus that the Contractor did not provide;
 - (v) infringement of a non-Contractor product alone;
 - (vi) the Commonwealth's distribution, marketing or use beyond the scope contemplated by the Contract; or
 - (vii) the Commonwealth's failure to use corrections or enhancements made available to the Commonwealth by the Contractor at no charge.
- (h) The obligation to indemnify the Commonwealth, under the terms of this section, shall be the Contractor's sole and exclusive obligation for the infringement or misappropriation of intellectual property.

43. CONTRACT CONSTRUCTION.

The provisions of this Contract shall be construed in accordance with the provisions of all applicable laws and regulations of the Commonwealth. However, by executing this Contract, the Contractor agrees that it has and will continue to abide by the intellectual property laws and regulations of the United States of America.

These rights are granted for a duration and to an extent necessary to meet the requirements under this Contract. If the Contractor requires a separate license agreement, such license terms shall include the aforementioned rights, be acceptable to the Commonwealth and will be separately negotiated and executed between the Commonwealth and the Contractor.
 - (ii) If Third Party Property is integrated into the Supplies or Services which are not Developed Works, or the Third Party Property is otherwise necessary for the Commonwealth to attain the full benefit of the Supplies or Services in accordance with the terms of the Contract, the Contractor shall gain the written approval of the Commonwealth prior to the use of the Third Party Property or the integration of the Third Party Property into the Supplies or Services. Third Party Property approved by the Commonwealth is hereby licensed to the Commonwealth as necessary to meet the Contract requirements.
 - (iii) If the Third Party requires a separate license agreement, the license terms shall be acceptable to the Commonwealth and will be separately negotiated and executed between the Commonwealth and the Third Party.
 - (iv) If the use or integration of the Third Party Property is not approved in writing under this section, the Third Party Property shall be deemed to be licensed under [paragraph \(b\)\(i\)](#) above.

 - (ii) in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under this contract.

- (f) Subcontracts. The Contractor shall include these Nondiscrimination/Sexual Harassment provisions in its contracts with all subcontractors providing goods or services under this contract. The incorporation of these provisions in the Contractor's subcontracts does not create privity of contract between the

These rights and remedies are cumulative, and the use or non-use of any one does not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or contract.
- (f) Subcontracts. The Contractor shall include these Contractor Integrity Provisions in its contracts with all subcontractors providing goods or services under this contract. The incorporation of this provision in the Contractor's subcontracts does not create privity of contract between the Commonwealth and any subcontractor, and no third-party beneficiaries are created by the inclusion of these provisions. If the Contractor becomes aware of a subcontractor's violation of these provisions, the Contractor shall use its best efforts to ensure the subcontractor's compliance with these provisions.

62. ASSIGNMENT OF RIGHTS UNDER THE ANTITRUST LAWS.

The Contractor and the Commonwealth recognize that in actual economic practice, overcharges by Contractor's suppliers resulting from violations of state and federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of this Contract, and intending to be legally bound, the Contractor assigns to the Commonwealth all rights, title, and interest in and to any claims Contractor now has or may hereafter acquire under state and federal antitrust laws relating to the goods and services which are subject to this Contract.

63. WARRANTIES.

Except as otherwise set forth in the Contract, the Contractor warrants that the Services, Supplies and Developed Works will conform in all material respects to the functional specifications for the Services, Supplies and Developed Works and/or the requirements of

the Contract. The warranty period for the Services, Supplies and Developed Works shall be **90 days** from final acceptance. If third-party Services, Supplies or Developed Works are subject to a warranty that exceeds **90 days** from final acceptance, the longer warranty period shall apply. The Contractor shall correct any non-conformity within the warranty period specified herein.

- (a) Disruption. The Contractor hereby represents and warrants to the Commonwealth that the Contractor will not cause, or take any action that, directly or indirectly, may cause a disruption of the Commonwealth's operations.
- (b) Nonconformity. In the event of any nonconformity with the foregoing warranties, the Commonwealth will provide written notification of such nonconformity to the Contractor and the Contractor, at no cost to the Commonwealth, shall within **10 days**' notice of the nonconformity, commence work to remedy the nonconformity and shall work diligently, at no charge to the Commonwealth, until such time as the deliverable conforms, in all material respects, to the Service requirements and/or the functional specifications of the Developed Works set forth in this Contract. The Contractor shall have no obligation with respect to nonconformities arising out of:
 - (i) Modifications to Developed Works made by the Commonwealth;
 - (ii) Use of the Developed Works not in accordance with the documentation or specifications applicable thereto;
 - (iii) Failure by the Commonwealth to implement any corrections or enhancements made available by the Contractor;
 - (iv) Combination of the Developed Works with any items not supplied or approved by the Contractor; or
 - (v) Failure of any software licensed under a separate license agreement to conform to its specifications or documentation.
- (c) Industry standards. The Contractor hereby represents and warrants to the Commonwealth that the Services shall be performed in accordance with industry standards using the utmost care and skill.
- (d) Right to perform. The Contractor hereby represents and warrants to the Commonwealth that the Contractor has the necessary legal rights, including licenses to third party products, tools or materials, to perform the Services and deliver the Developed Works under this Contract.
- (e) Sole warranties. THE FOREGOING EXPRESS WARRANTIES ARE THE CONTRACTOR'S SOLE AND EXCLUSIVE WARRANTIES AND NO OTHER WARRANTIES, EXPRESS OR IMPLIED, SHALL APPLY, INCLUDING, BUT

NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

64. LIQUIDATED DAMAGES.

- (a) By accepting this Contract, the Contractor agrees to the delivery and acceptance requirements of this Contract. If a due date is not met, the delay will interfere with the Commonwealth's program. In the event of any such delay, it would be impractical and extremely difficult to establish the actual damage for which the Contractor is the material cause. The Commonwealth and the Contractor therefore agree that in the event of any such delay, the amount of damage shall be the amount set forth in this section, unless otherwise indicated in the Contract, and agree that the Contractor shall pay such amount as liquidated damages, not as a penalty. Such liquidated damages are in lieu of all other damages arising from such delay.
- (b) The amount of liquidated damages shall be as set out in the Solicitation. If not amount is set out in the Solicitation, the amount of liquidated damages for failure to meet a due date shall be three-tenths of a percent (**.3%**) of the price of the deliverable for each calendar day following the scheduled completion date. If the price of the deliverable associated with the missed due date is not identified, liquidated damages shall apply to the total value of the Contract. Liquidated damages shall be assessed each calendar day until the date on which the Contractor meets the requirements for the deliverable associated with the due date, up to a maximum of **30 days**. If indicated in the Contract, the Contractor may recoup all or some of the amount of liquidated damages assessed if the Contractor meets the final project completion date set out in the Contract.
- (c) If, at the end of the **30-day** period specified in [subsection \(b\)](#) above, the Contractor still has not met the requirements for the deliverable associated with the due date, then the Commonwealth, at no additional expense and at its option, may either:
 - (i) Immediately terminate the Contract in accordance with [Subsection 28\(c\)](#) and with no opportunity to cure; or
 - (ii) Order the Contractor to continue with no decrease in effort until the work is completed in accordance with the Contract and accepted by the Commonwealth or until the Commonwealth terminates the Contract. If the Contract is continued, any liquidated damages will also continue until the work is completed.
- (d) At the end of a calendar month, or at such other time(s) as identified in the Contract, liquidated damages shall be paid by the Contractor and collected by the Commonwealth by:
 - (i) Deducting the amount from the invoices submitted under this Contract or any other contract Contractor has with the Commonwealth;

- (ii) Collecting the amount through the performance security, if any; or
- (iii) Billing the Contractor as a separate item.

65. SERVICE LEVELS.

- (a) The Contractor shall comply with the procedures and requirements of the Service Level Agreements, if any, which are made part of this Contract.
- (b) Where there are expressly defined Service Levels, Contractor shall measure and report its performance against these standards on at least a monthly basis, except as may otherwise be agreed between the parties. Regardless of the presence or absence of expressly defined Service Levels, any failure to adequately or timely perform a Service may result in consequences under this Contract, up to and including Contract termination.
- (c) The Commonwealth's acceptance of any financial credit incurred by the Contractor in favor of the Commonwealth for a Service Level default ("Service Level Credit") shall not bar or impair Commonwealth's rights and remedies in respect of the failure or root cause as set forth elsewhere in this Contract, including without limitation other claims for liquidated damages, injunctive relief and termination rights; provided however, Service Level Credits paid would be credited against any such claims for damages.

66. FORCE MAJEURE.

- (a) Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but are not limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.
- (b) The Contractor shall notify the Commonwealth orally within **five (5) days** and in writing within **10 days** of the date on which the Contractor becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the contract is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Contractor shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may

elect to cancel the Contract, or to extend the time for performance as reasonably necessary to compensate for the Contractor's delay.

- (c) In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Contractor, may suspend all or a portion of the Contract.

67. PUBLICITY/ADVERTISEMENT.

The Contractor shall not issue news releases, internet postings, advertisements, endorsements, or any other public communication without prior written approval of the Commonwealth, and then only in coordination with the Commonwealth. This includes the use of any trademark or logo.

68. TERMINATION ASSISTANCE.

- (a) Upon the Commonwealth's request, Contractor shall provide termination assistance services (Termination Assistance Services) directly to the Commonwealth, or to any vendor designated by the Commonwealth. The Commonwealth may request termination assistance from the Contractor upon full or partial termination of the Contract and/or upon the expiration of the Contract term, including any renewal periods. Contractor shall take all necessary and appropriate actions to accomplish a complete, timely and seamless transition of any Services from Contractor to the Commonwealth, or to any vendor designated by the Commonwealth, without material interruption of or material adverse impact on the Services. Contractor shall cooperate with the Commonwealth and any new contractor and otherwise promptly take all steps required or reasonably requested to assist the Commonwealth in effecting a complete and timely transition of any Services.
- (b) Such Termination Assistance Services shall first be rendered using resources included within the fees for the Services, provided that the use of such resources shall not adversely impact the level of service provided to the Commonwealth; then by resources already included within the fees for the Services, to the extent that the Commonwealth permits the level of service to be relaxed; and finally, using additional resources at costs determined by the Parties via [Section 27, Changes](#).

69. NOTICE.

Any written notice to any party under this Contract shall be deemed sufficient if delivered personally, or by facsimile, telecopy, electronic or digital transmission (provided such delivery is confirmed), or by a recognized overnight courier service (e.g., DHL, Federal Express, etc.), with confirmed receipt, or by certified or registered United States mail, postage prepaid, return receipt requested, sent to the address such party may designate by notice given pursuant to this section.

70. RIGHT-TO-KNOW LAW.

- (a) Applicability. The Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, (“RTKL”) applies to this contract.
- (b) Contractor Assistance. If the Commonwealth needs the Contractor’s assistance in any matter arising out of the RTKL related to this contract, the Commonwealth shall notify the Contractor that it requires the Contractor’s assistance, and the Contractor shall provide to the Commonwealth:
 - (i) access to, and copies of, any document or information in the Contractor’s possession (Requested Information) arising out of this contract that the Commonwealth reasonably believes is a public record under the RTKL, within ten calendar days after receipt of written notification; and
 - (ii) any other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this contract.
- (c) Trade Secret or Confidential Proprietary Information. If the Contractor considers the Requested Information to include a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that the Contractor considers exempt from production under the RTKL, the Contractor shall notify the Commonwealth and provide, within seven calendar days of receipt of the written notice a written statement, signed by a representative of the Contractor, that explains why the requested material is exempt from public disclosure under the RTKL. If the Commonwealth determines that the Requested Information is clearly not exempt from disclosure, the Contractor shall provide the Requested Information to the Commonwealth within five business days of receipt of written notice of the Commonwealth’s determination.
- (d) Reimbursement.
 - (i) Commonwealth Reimbursement. If the Contractor fails to provide the Requested Information and the Commonwealth is ordered to produce the Requested Information, the Contractor shall reimburse the Commonwealth for any damages, penalties, or costs that the Commonwealth may incur as a result of the Contractor’s failure, including any statutory damages assessed against the Commonwealth.
 - (ii) Contractor Reimbursement. The Commonwealth will reimburse the Contractor for any costs that the Contractor incurs as a direct result of complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL.

- (e) Challenges of Commonwealth Release. The Contractor may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, the Contractor shall reimburse the Commonwealth for any legal expenses incurred by the Commonwealth as a result of the challenge, including any damages, penalties or costs that the Commonwealth may incur as a result of the Contractor's legal challenge, regardless of the outcome.
- (f) Waiver. As between the parties, the Contractor waives all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.
- (g) Survival. The Contractor's obligations contained in this Section survive the termination or expiration of this contract.

71. APPLICABLE LAW AND FORUM.

This contract is governed by and must be interpreted and enforced in accordance with the laws of the Commonwealth of Pennsylvania (without regard to any conflict of laws provisions) and the decisions of the Pennsylvania courts. The Contractor consents to the jurisdiction of any court of the Commonwealth of Pennsylvania and any federal courts in Pennsylvania, and waives any claim or defense that such forum is not convenient or proper. 1. The Contractor shall supply and maintain all hosting equipment (hardware and software) required for the delivery of the computing services.
2. The Contractor shall provide secure access to users leveraging the principle of least privilege and delegating administration to the Commonwealth where possible.
3. The Contractor shall use commercially reasonable resources and efforts to maintain adequate network bandwidth and server capacity to meet expected service levels.
4. The Contractor shall maintain all components of the Contractor hosted solution with commercially reasonable support and replace as necessary to maintain compliance.
5. The Contractor shall monitor, prevent, and deter unauthorized system access. The Contractor shall use all commercially reasonable methods to confirm suspected breaches. In the event of any impermissible disclosure, unauthorized loss or destruction of Confidential Information, the receiving Party must immediately notify the disclosing Party and take all reasonable steps to mitigate any potential harm or further disclosure of such Confidential Information. The Contractor shall provide the Commonwealth with any requested logs, reports, and other information concerning unauthorized access or disclosure of Commonwealth data, including any mitigation efforts by Contractor. Any such information provided by Contractor shall be treated as confidential. In addition, pertaining to the unauthorized access, use, release, or disclosure of data, the Contractor shall comply with state and federal data breach notification statutes and regulations, and shall report security incidents to the Commonwealth within **one (1) hour** of when the Contractor has reasonable confirmation of such unauthorized access, use, release, or disclosure of data.
6. In the event the Contractor is not in compliance with **Section B System and Organization Controls (SOC) Reporting Requirements** relating to the hosted system's data center locations and security architecture, the Contractor shall allow the Commonwealth or its delegate, at times chosen by the Commonwealth, and with

at least **ten (10) business days'** notice, to review the hosted system's data center locations and security architecture.

7. The Contractor's employees or subcontractors, who are directly responsible for day-to-day monitoring and maintenance of the hosted system, shall have industry standard certifications applicable to the environment and system architecture used.
8. The Contractor shall house all servers and equipment in an operational environment that meets industry standards including, but not limited to, climate control, fire and security hazard detection and response, electrical needs, and physical security.
9. The Contractor shall examine applicable system and error logs, which should include, but not be limited to, security events. Such logs shall be examined on a continual basis, at least daily, to minimize and predict system problems and initiate appropriate action.
10. The Contractor shall update and patch all applicable systems and third-party software security configurations to reduce security risk in alignment with industry best practices beginning prior to service release and on an ongoing basis.
11. During the term of the contract, the Contractor shall provide or make available all Commonwealth data to the Commonwealth, at no cost and upon request in a format and method agreeable to both parties. If the parties are unable to reach an agreement regarding format or method, data shall be provided in an industry standard format and method.

B. System and Organization Controls (SOC) Reporting Requirements

1. Subject to this section and unless otherwise agreed to in writing by the Commonwealth, the Contractor shall, and shall require its subcontractors to, engage, on an annual basis, a CPA certified third-party auditing firm to conduct the following, as applicable:
 - (i) a SOC 1 Type II report with respect to controls used by the Contractor relevant to internal and external procedures and systems that process Commonwealth financial transactions; and
 - (ii) a SOC 2 Type II report with respect to controls used by the Contractor relevant to internal and external procedures and systems that access, process, host or contain Commonwealth Data designated as Class "C" Classified Records or Closed Records, as defined in ITP-SEC019, or in compliance with mandates by federal or state audit requirements and/or policy.

The Contractor shall receive and review their subcontractor's relevant SOC reports, and the Contractor shall provide the Commonwealth with a Letter of Attestation that includes an analysis of their subcontractor's SOC report.

2. Unless otherwise agreed to in writing by the Commonwealth, the Contractor's SOC Report(s) shall be provided upon contract execution and annually thereafter.  - (i) Reoccurring findings in any SOC report required by subsection 1 above; or
 - (ii) A cybersecurity incident or breach that impacts the Commonwealth has occurred and was not handled in accordance with Contractor's Incident Response Plan (IRP) including, but not limited to, providing timely notice to the Commonwealth as required by Contract or applicable law; or
 - (iii) As agreed upon by the parties.

The SOC for Cybersecurity report shall detail the controls used by the Contractor or its subcontractor setting forth the description and effectiveness of the Contractor's or subcontractor's cybersecurity risk management program and the policies, processes and controls enacted to achieve each cybersecurity objective.

The Contractor shall provide to the Commonwealth a report of the SOC for Cybersecurity audit findings within **60 days** of its completion.

5. Additional standards, certifications or audits as required by law shall be supported by Contractor as mutually agreed upon in writing by the parties.

The corrective action plan shall provide, in detail:
 - (i) clear responsibilities of the personnel designated to resolve the non-conformity;
 - (ii) the remedial action to be taken by the Contractor or its subcontractor(s);
